## LOVE STINKS

A new tradition started at SLA. Students and Staff took on Cross Town Impact's Love Challenge and raised awareness and support for local support groups. Students learned more about the Local Food Bank, The Salvation Army, Soles 4 Souls and Soap 4 Souls which support causes like homelessness, malnutrition, water purification and cleanliness.

## Grade 4-7 a Part of Prescott's Founder's Day

Mr. MacNeil's and Miss Paquette's class were honoured to be a part of Prescott's Founder's Day Celebration and the dedication of the new Riverwalk Park at the waterfront. Students were excited to share their mid-century poem with the over 200 present for the event including dignitaries and town historians.

## Thank You Indigo Chapters

St. Lawrence Academy gleans big rewards from Indigo Chapters Adopt-A-School Foundation. Because of SLA parents and friends, with shares and likes through the website page, SLA received the \$2000.00 prize and was able to purchase 2 Apple Air pads to use within the school. Students got busy right away using the devices to create their movies for French class, and teachers have been excited to use them in class. A special thanks to **Meg Plooy** for organizing the event and to every parent and family member who voted for SLA. What a gift you have given us!
