Introducing The GAF LIFETIME

A new roof is more than just shingles. When you install any GAF Lifetime Shingle, you'll get a Lifetime Ltd. warranty

GAF
Lifetime
shingles

GAF offers you many great Lifetime Shingle choices, including **Timberline®** Shingles with Advanced Protection® Technology. They're the #1-selling shingles in North America!

Advanced Protection® Technology results in superior protection for your home, while reducing the use of precious natural resources. That's better for your home—and better for the environment!

To learn more about why Advanced Protection® Shingles are your best choice, visit www.gaf.com/aps.

GAF
Leak
Barrier

Provides exceptional protection against leaks caused by roof settling and extreme weather. Ideal upgrade at all vulnerable areas (including at the eaves in the North*).

ROOFING SYSTEM

on your shingles and qualifying
GAF accessories—automatically!†
Why settle for anything less?

GAF

Roof Deck Protection

Allows moisture to escape from your attic while providing an exceptionally strong layer of protection against wind-driven rain. Also, lays flatter for a better-looking roof.

GAF

Starter Strip Shingles

Saves time, eliminates waste, and reduces the risk of blow-off...and may even help qualify for upgraded wind warranty coverage (see *GAF Shingle & Accessory Ltd. Warranty* for details).

GAF

Cobra® Attic Ventilation

Helps remove excess heat and moisture from your attic that can raise your energy bills, cause premature peeling of interior paint and wall-paper, and even affect your health.

GAF

Ridge Cap Shingles

Enhances the beauty and value of your home—while guarding against leaks at the hips and ridges.

The GAF Lifetime Roofing System has earned the prestigious Good Housekeeping Seal, which means that Good Housekeeping stands behind the products in this system. (Refer to Good Housekeeping Magazine for its consumer protection policy.)

*In the North, building code requires the use of Leak Barrier at the eaves.

†See *GAF Shingle & Accessory Ltd. Warranty* for complete coverage and restrictions. The word "Lifetime" means as long as the original individual owner of a single family detached residence (or the second owner in certain circumstances) owns the property where the shingles and accessories are installed. For owners/structures not meeting above criteria, Lifetime coverage is not applicable. Lifetime Ltd. warranty on accessories requires the use of at least three qualifying GAF accessories and the use of Lifetime Shingles.

GAF is a
U.S.-Based Corporation

Choosing The Right **Lifetime** Shingle

If you're looking for a new roof, rest assured you've come to the right place. Not only do most GAF shingles now offer a Lifetime ltd. warranty for peace of mind, but GAF's vast shingle offering means you're virtually certain to find the right combination of style, color, and price to suit your taste.

Ultra-Premium Lifetime Designer Shingles

GAF's Ultra-Premium Lifetime Designer Shingles are our top-of-the-line asphalt shingles. They offer a variety of styles and colors to complement your home and to suit virtually any taste. These are the very best asphalt shingles you can buy!

PAGES **6-11**

\$\$\$-\$\$\$\$

Value-Priced Lifetime Designer Shingles

Now you can have the beauty and style of designer roofing—but at an incredibly affordable price. GAF's Value Collection Lifetime Designer Shingles offer an exceptionally wide array of designer styles and colors, but at prices only slightly more than a standard architectural shingle.

PAGES **12-21**

\$\$\$

Timberline® Lifetime Shingles

Timberline® Shingles are the #1-selling shingles in North America. They offer the very best combination of performance and value that you can get for your home. Choose from High Definition®, Natural Shadow™, or American Harvest™, the newest addition to the Timberline® family.

PAGES **22-31**

\$\$\$-\$\$\$

Specialty Lifetime Shingles

GAF offers shingles for special situations, including our Cool Series Shingles, which are ENERGY STAR® qualified (U.S. only), and our ArmorShield II™ Shingles, which are Class IV impact resistant.

PAGE **32-33**

\$\$\$-\$\$\$

Lifetime Designer Shingles

Transform Your Home With GAF's Lifetime Designer Shingles!

Maximizing your property's "visual appeal" with a Lifetime Designer Shingle from GAF can be exciting, fun—and a smart investment.

Designer Style...

Whatever your preference, GAF's Lifetime Designer Shingles have become "the choice" of discerning property owners, designers, and architects. Our wide range of design choices includes shingles that emulate the rich look of natural materials like wood and slate.

Peace Of Mind...

GAF's Lifetime Designer Shingles far exceed industry performance standards—so it's no surprise that they include exceptional warranty protection. Every GAF Lifetime Designer Shingle is backed by a Lifetime Ltd. warranty, plus Smart Choice® Protection (non-prorated material and installation labor coverage) for the first ten years and 130 mph wind coverage.*†

Two Options To Fit Your Budget...

- **Ultra-Premium Collection**—Gives you the thickest, most dimensional look for your roof.
- **Value Collection**—Gives you a designer look for just pennies-a-day more than a standard architectural shingle.

All Of GAF's Lifetime Designer Shingles Offer You These Great Benefits:

- **Affordable Luxury...** GAF Lifetime Designer Shingles are only a fraction of the cost of traditional slate or expensive wood shakes
- **Sophisticated Designs...** Artisan-crafted shapes combined with oversized tabs and dimensional designs result in a sophisticated beauty unmatched by typical shingles
- **Natural Color Palettes...** Specially formulated color palettes are designed to accentuate each shingle's natural appeal
- **High Performance...** Designed with Advanced Protection® Technology, which minimizes the use of natural resources while providing superior protection for your home (visit www.gaf.com/aps to learn more)
- **StainGuard® Protection...** Helps assure the beauty of your roof against unsightly blue-green algae**
- **Safer...** Class A fire rating from Underwriters Laboratories—the highest rating possible—and safer than wood shakes or some plastic/synthetic shingles, which carry only a Class C fire rating!
- **Stays In Place...** Dura Grip™ Adhesive seals each shingle tightly and reduces the risk of shingle blow-off. Shingles warranted to withstand winds up to 130 mph!†
- **The Ultimate Peace Of Mind...** Lifetime Ltd. transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first ten years*
- **Perfect Finishing Touch...** For the best look, use Timbertex® Premium Ridge Cap Shingles with StainGuard® Protection. In the West, use Ridglass® Premium Ridge Cap Shingles.

* See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word "Lifetime" means as long as the original individual owner of a single family detached residence (or the second owner in certain circumstances) owns the property where the shingles are installed. For owners/structures not meeting above criteria, Lifetime coverage is not applicable.

** All Designer Shingles have StainGuard® Protection except for Grand Sequoia® Shingles produced in our Fontana, CA plant. Look for the StainGuard® logo on your shingle package to determine whether your shingles have this feature.

† This wind speed coverage requires special installation. See GAF Shingle & Accessory Ltd. Warranty for details.

TIMBERLINE®
LIFETIME HIGH DEFINITION® SHINGLES

"North America's
#1-Selling Shingle!"

"There's nothing
quite like a genuine
Timberline®
High Definition® roof!"

Your roof can represent **40% or more** of your home's "curb appeal." Now, you can improve its resale value with Timberline® High Definition® Shingles from GAF.

Timberline® Shingles with Advanced Protection® Technology are the **#1-selling shingles** in all of North America. Professional installers have long preferred the rugged, dependable performance that only a Timberline® roof can offer.

SHINGLE & ACCESSORY LTD. WARRANTY
Lifetime
 LTD. WARRANTY TERM

But great performance is only half the story. Choosing Timberline® Shingles will not only protect your most valuable asset — they'll beautify your home for years to come. In fact, an independent research firm surveyed homeowners about the brand of architectural shingles they preferred. The result: more homeowners preferred the look of Timberline® Shingles to the other leading brands!

Why settle for anything less?

What's the **secret** to the striking look of a Timberline® High Definition® roof?

Timberline® High Definition® Shingles are unlike any others, thanks to our patented High Definition® shadow bands (U.S. Patent No. 5,666,776). Each shadow band is applied using a sophisticated, computer-controlled "feathering" technique. When combined with our randomly blended top layer, it results in a shingle with exceptional depth and dimension—and a **striking look unmatched by any other brand.**

But don't just take our word for it. See for yourself. When you compare Timberline® High Definition® Shingles to typical architectural shingles, it's easy to see why they'll look sharper and more beautiful on your roof—while enhancing the resale value of your home.

See the difference...

Timberline® High Definition® Shingles

Another Major Brand

The color blends on Timberline® High Definition® Shingles (top) are sharp and well defined—to give your roof maximum dimensionality and depth.

TIMBERLINE® ULTRA HD™

LIFETIME HIGH DEFINITION® SHINGLES

(formerly called Timberline® Prestique® Lifetime)

"Your Best Investment For
An **Ultra-Dimensional**
Wood Shake Look"

for HOMEOWNERS

- **Best Investment...** Just pennies-a-day more than standard architectural shingles.¹
- **Ultra-Dimensional Look...** Up to 53% thicker,¹ Timberline® Ultra HD™ Shingles feature GAF's patented "High Definition" color blends and enhanced shadow effect for an ultra-dimensional wood shake look on your roof.
- **Safer...** Class A fire rating from Underwriters Laboratories, the highest rating possible.
- **High Performance...** Designed with Advanced Protection® Technology, which minimizes the use of natural resources while providing superior protection for your home (visit www.gaf.com/aps to learn more).
- **Stays In Place...** Dura Grip™ Adhesive seals each shingle tightly and reduces the risk of shingle blow-off. Shingles are warranted to withstand winds up to 130 mph.²
- **Peace Of Mind...** Lifetime Ltd. transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first ten years.³
- **Perfect Finishing Touch...** Use Timbertex® Premium Ridge Cap Shingles (in the West, use Ridglass® Premium Ridge Cap Shingles).

for PROFESSIONALS

- **More Referrals...** People will know that you're installing America's #1-selling laminated shingles!
- **Less Chance of Call-Backs...** Durable, wind-resistant shingles include 130 mph ltd. wind coverage!²

¹ Note: Comparison refers to Timberline® HD™ Shingles. Thickness varies by plant; see actual shingles for comparison.

² This wind speed coverage requires special installation; see GAF Shingle & Accessory Ltd. Warranty for details.

³ See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word "lifetime" means as long as the original individual owner of a single family detached residence (or the second owner in certain circumstances) owns the property where the shingles are installed. For owners/structures not meeting above criteria, lifetime coverage is not applicable.

Color Shown:
Slate

Extra-thick layers make Timberline® Ultra HD™ Shingles up to 53% thicker than standard architectural shingles—for a natural dimensional beauty that you'll notice and appreciate.*

*Note: Comparison refers to Timberline® HD™ Shingles. Thickness varies by plant; see actual shingles for comparison.

We can help you choose the right shingle for your roof!

Try GAF's Virtual Home Remodeler at www.gaf.com. Visualize GAF shingles on a house like yours—or upload and decorate your own house. Try different siding, trim, and brick colors. It's fun!

TIMBERLINE® COOL SERIES

ENERGY-SAVING SHINGLES

"Revolutionary
Energy Savings!"

Color Shown:
Cool Barkwood

Now get potential energy and cost savings when you install GAF Timberline® Cool Series Shingles

The revolutionary Cool Series Shingles reflect sunlight to reduce unwanted attic heat build-up—to save energy. They are rated by the Cool Roof Rating Council (CRRC) and are ENERGY STAR® qualified (U.S. Only).^{1,2}

- **Lower Cooling Costs...** Cool roofs may save 7–15% of total cooling costs, depending on geography, season, and property. In warmer climates, cooling-cost savings may be greater year round.³
- **Tax Credits...** Get up to \$500 (10% of material cost) back from the government in the form of a tax credit on shingles that are ENERGY STAR® qualified.⁴

Timberline® Cool Series shingles are stocked in Fontana, CA and Shafter, CA and are special order in other locations.

¹ All three Cool Colors meet the prescriptive requirements of California TITLE 24, Part 6 for Cool Steep Slope Roofing.

² When installed properly, this product will help reduce energy costs. Actual savings will vary based on geographic location and individual building characteristics. For more information, contact GAF Technical Services at 1-800-ROOF-411, visit www.gaf.com, or call 1-888-STAR-YES.

³ According to the Cool Roof Rating Council.

⁴ Some rebate programs and other incentives are time limited and change often; for more information, contact your utility, governmental unit, or tax advisor.

Note: See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word "Lifetime" means as long as the original individual owner of a single family detached residence (or the second owner in certain circumstances) owns the property where the shingles are installed. For owners/structures not meeting above criteria, Lifetime coverage is not applicable.

It's sooo cool!†

Thanks to the reflective nature of the Cool Series Shingles, part of the heat radiating from the sun gets reflected, reducing the heat in the attic and heat going into the house. It may translate into substantial savings in air conditioning bills.

†Results may vary by geography, season, and property.

Note: It is difficult to reproduce the color clarity and actual color blends of the shingles in this catalog. Before selecting your color, please ask to see several full-size shingles.

Timberline® ArmorShield™ II Impact-Resistant Shingles

Roof Deck Protection

DECKARMOR™

Premium *Breathable* Roof Deck Protection

- **Revolutionary “Breathable” Technology...** Helps prevent inside moisture from becoming trapped within your roofing system—and possibly causing mold, mildew, and expensive structural damage.
- **Safer for Installers...** Specially designed surface helps provide excellent walkability for installers versus conventional felts or typical synthetic underlayments.
- **Premium Construction...** Exceptionally durable, non-asphaltic construction will not rot or become brittle (unlike conventional asphaltic felts, which can disintegrate over time).
- **Exceptionally Strong...** At least 600% (i.e., 7 times) stronger and about 1/3 the weight of standard #30 felt.
- **Looks Better...** Unlike conventional asphaltic felts, Deck-Armor™ resists wrinkling or buckling, so it lets your shingles lay flatter for a better-looking roof.
- **Peace of Mind...** Up to a Lifetime Ltd. warranty when installed on Lifetime Shingle roofs.†
- **Saves Labor...** Extra wide 54" roll installs up to 50% faster than traditional 36" wide felts.
- **Cooler to Work With...** Light blue surface is cooler in hot weather than conventional black felts.
- **Durable...** Can withstand UV degradation for 180 days when left exposed.
- **Light Weight...** Nearly 1/3 the weight of a roll of #30 felt.
- **Easier to Cut...** Spun-bound design is easier to cut than some other synthetic products.

Conventional organic felts can absorb moisture, causing severe buckling and wrinkling—and a terrible-looking roof

Deck-Armor™ Premium “Breathable” Roof Deck Protection resists moisture, so it lays flatter for a better-looking roof!

SPECIFICATIONS

- UV-stabilized polypropylene construction
- Meets or exceeds the physical requirements of ASTM D226 and D4869
- Class A fire rating when used with UL Class A rated roof coverings
- Miami-Dade County and Florida Building Code approved
- ICC ES ESR-2808
- Approx: 10 squares/roll; length 222'; width 54'; 37 lbs./roll (nominal)

Note: **Always** use plastic cap nails or staples with plastic caps to install Deck-Armor™ Roof Deck Protection.

†See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word “Lifetime” means as long as the original individual owner of a single family detached residence (or the second owner in certain circumstances) owns the property where the shingles and accessories are installed. For owners/structures not meeting above criteria, Lifetime coverage is not applicable. Lifetime Ltd. warranty on accessories requires the use of at least three qualifying GAF accessories and the use of Lifetime Shingles.

Deck-Armor™ “Out-breathes” the competition!

As measured on Mocon unit @ 23°C and 50% R.H.

Roof Deck Protection

- **Safer for Installers...** Specially designed surface helps provide excellent walkability for installers versus conventional felts or typical synthetic underlayments.
- **Special Moisture Control Design...** Helps remove nearly twice as much damaging moisture from your roof deck as the leading synthetic non-breathable underlayment.¹
- **Durable Construction...** Non-asphaltic, polypropylene construction will not rot or become brittle (unlike conventional felts, which can disintegrate over time).
- **Better Looking Roof...** Tiger Paw™ Roof Deck Protection resists wrinkling and buckling that can “telegraph” through your roof shingles and detract from its finished appearance.
- **Peace of Mind...** Up to a Lifetime Ltd. warranty when installed on Lifetime Shingle roofs.[†]
- **Deck-Side Coating...** Anti-skid back coating helps improve walkability, while also helping to keep the roll stationary during installation.
- **Stronger...** Synthetic, non-woven construction provides at least 600% (i.e. 7 times) greater tear strength than standard #30 felt.²
- **Less Chance of Blow-Off...** Up to 147% higher nail pull-through strength than #30 felt helps keep the product in place.³
- **Convenient Size...** 10 square, 48" wide roll installs up to 33% faster than conventional felts.
- **Lightweight...** At 40 lbs, it's approximately 33% lighter than a roll of #30 felt.
- **Cooler to Work With...** Light-grey surface is cooler in hot weather than conventional black felts.
- **Versatile...** Can withstand UV degradation for 180 days, if necessary.

¹ As per ASTM D570-modified.

² Trapezoidal tear strength per ASTM D4533.

³ Nail pull-through per ASTM D3642.

SPECIFICATIONS

- UV-stabilized polypropylene construction
- Meets or exceeds the physical requirements of ASTM D226 and D4869
- Class A fire rating when used with UL Class A rated roof coverings
- Florida Building Code approved
- Approx: 10 squares/roll; length 250'; width 48"; 40 lbs./roll (nominal)

Note: **Always** use plastic cap nails or staples with plastic caps to install Tiger Paw™ Roof Deck Protection.

Also Available:

SHINGLE-MATE®

Roof Deck Protection

(Available nationwide)

- Fiberglass reinforced, so it lays flatter for a better-looking roof
- UL Classified for use with GAF Class A asphalt shingles
- Florida Building Code Approved
- Meets the physical requirements of ASTM D226 and ASTM D4869
- Up to a Lifetime Ltd. warranty when installed on Lifetime Shingle roofs[†]
- Approx: 4 squares/roll (432 ft²); length 144'; width 36"; 30 lbs./roll

VERSASHIELD®

FIRE-RESISTANT ROOF DECK PROTECTION

(Available nationwide)

- The best protection against fire spread and penetration
- Fiberglass reinforced, so it lays flatter for a better-looking roof
- Will upgrade the UL fire classification of almost any type of roof (refer to UL Certifications Directory for actual assemblies)
- Meets or exceeds ASTM D146, D226 Type II, D828, D4869 Type IV, D6757 Type I or Type II
- Up to a Lifetime Ltd. warranty when installed on Lifetime Shingle roofs[†]
- Approx: 3.5 squares/roll (350 gross ft²); length 100'; width 42"; 52.5 lbs./roll

ROOFPRO™

SBS-Modified All-Purpose Underlayment

(Available in West only)

- SBS-modified asphalt increases flexibility and provides long-lasting durability; up to 60 days exposure if necessary
- Fiberglass reinforced, so it lays flatter for a better-looking roof
- UL Classified for use with GAF Class A asphalt shingles
- ICC ES ESR-5625
- Meets or exceeds all physical properties of ASTM D226
- Up to a Lifetime Ltd. warranty when installed on Lifetime Shingle roofs[†]
- Approx: 2 squares/roll (216 gross ft²); length 65.8'; width 39.4"

[†] See footnote on previous page.

Cobra® Attic Ventilation

Choose From The Industry's Most Comprehensive Line Of Ridge Vents!

Cobra® Ridge Vents...

- Provide superior attic ventilation when properly installed with eave or soffit vents
- Work along the length of the roof's ridge to minimize temperature and equalize pressure inside the attic
- Allow a flow-through of fresh air to reduce damaging heat and moisture
- Pass the 110 mph wind-driven rain test (under controlled laboratory conditions)
- Up to a Lifetime Ltd. warranty when installed on Lifetime Shingle roofs†
- Carry a UL Class C fire rating, except Cobra® Exhaust Vent For Roof Ridge, which has a UL Class A rating
- Meet ASTM D1929
- Meet/pass Texas Department of Insurance, ICC, Miami-Dade, and Florida Building Code
- Include the EasyTear™ Sizing System, which allows you to hand-tear the vents in regular increments (except Cobra® Exhaust Vent For Roof Ridge)

5 Styles To Choose From!

Property Owner's Best Choice...

- **Lets The Beauty Of Your Home Stand Out...** Low profile design keeps Cobra® Ridge Vents virtually invisible when installed—to maintain an "uncluttered" look on your roof
- **Superior Construction...** All rigid-style Cobra® Vents are made with UV stable, high-impact co-polymers; Cobra® Roll-style Vent is made from UV stable, 100% recycled polyester composite fiber
- **Insect Guard...** Helps prevent problems with insect, bird, and animal infestation
- **Energy Efficient...** May even help to reduce utility usage
- **SnowGuard™...** Helps resist snow infiltration in harsh winter climates (Cobra® Snow Country™ and Cobra® Snow Country Advanced™ Exhaust Vents only)
- **Cap Shingle Compatible...** Options available for 12", metric, and 10" width ridge cap shingles.

Cobra® FASCIAFLOW

Premium **Intake** Ventilation

Product Specifications
Size: 12' x 6" x 1.25"
NFA: 9 In² per Lineal Ft.
Construction: PVC

Today's solution to a 100-year-old problem!

- Makes it easy to install intake ventilation on tough-to-vent homes by replacing existing fascia board
- Allows cool air to enter the attic space, driving warm and moist air out of the attic's exhaust vents
- Boosts the performance of existing soffit/undereave vents
- Designed with PVC for years of maintenance-free performance
- Up to a Lifetime Ltd. warranty when installed on Lifetime Shingle roofs†

†See footnote on next page

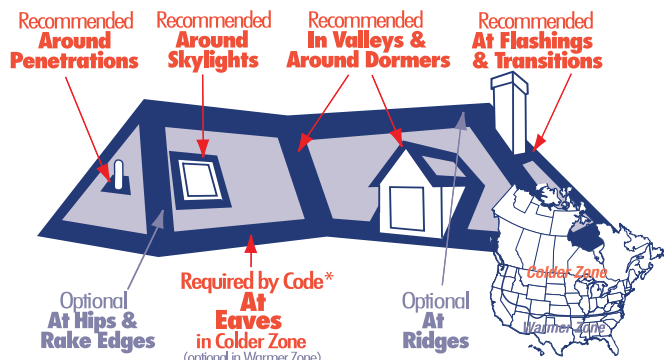

Waterproof Leak Barriers

Eave/Rake Starter Strips

"Protect Your Investment And Safeguard Vulnerable Areas"

*Check local building codes for specifications in your area.

- **Protect Your Property...** Help prevent wind-driven rain from leaking through the roof deck, or melting ice and snow (caused by ice dams in harsh winter climates) from leaking into property's interior
- **Add Extra Protection...** In valleys and at eave and rake edges—the most leak-prone areas of the roof. Strongly recommended for chronic problem areas like skylights, dormers, vent pipes, chimneys, and other flashing areas
- **Won't Leak...** Helps ensure a 100% watertight seal
- **Avoid Costly Repairs...** Due to staining on interior walls and ceilings
- **Better Appearance...** Fiberglass reinforcement helps resist wrinkling and buckling—lays flatter under shingles
- **Save Labor...** Split-back release film peels off in sections, for faster installation and superior property owner value
- **Peace Of Mind...** Up to a Lifetime Ltd. warranty when installed on Lifetime Shingle roofs¹

SPECIFICATIONS (NOM.)

WEATHERWATCH® Mineral-Surfaced Leak Barrier

- Mineral surface & fiberglass reinforced
- UL Classified (see complete marking on product)
- ICC Evaluation Report ESR 1322
- Miami-Dade County approved
- Texas Department of Insurance Appr.
- Available nationwide
- Roll width is 36"
- Available in 1.5 & 2.0 square rolls
- Length of 1.5 square roll is 50'
- Length of 2.0 square roll is 66.8'
- Approx. area of 1.5 square roll is 150 ft²
- Approx. area of 2.0 square roll is 200 ft²

- ICC Evaluation Report ESR 1322
- Miami-Dade County approved
- Texas Department of Insurance Appr.
- Available nationwide
- Available in 2.0 square rolls
- Width is 36", length is 66.8'
- Approx. area of 2.0 square roll is 200 ft²

Ask your local Territory Manager about UnderRoof™2, UnderRoof™HT, and Weather Watch® XT premium performance Leak Barriers (available regionally).

Many warranties for GAF and competitors require starter strips on both eave and rake for maximum wind coverage

- **Save Labor...** Provides a cost-effective alternative to using cut-up shingles as your starter strip
- **Help Prevent Blow-Offs...** Includes a high-quality, properly positioned factory-applied adhesive that will tightly lock your shingles in place
- **Easy To Install...** Pre-scored, no cutting needed
- **Maximum Wind Warranties...** Requires starter strips on rake and eaves
- **Peace Of Mind...** Up to a Lifetime Ltd. warranty when installed on Lifetime Shingle roofs¹

WEATHERBLOCKER™ PREMIUM EAVE/RAKE STARTER STRIP

(Use with all shingles. 17"x40" or splits to 8.5"x40")

- Meets ASTM D3462*
- Available Nationally

PRO-START™ STARTER STRIP SHINGLE

(Use with most standard English and metric-sized shingles. 13"x38" or splits to 6.5"x38")

- Meets ASTM D3462*
- UL 790 Class A fire rated
- Available Nationally

* Periodically tested by independent and internal labs to ensure compliance with ASTM D3462 at time of manufacture.

¹ See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word "Lifetime" means as long as the original individual owner of a single family detached residence (or the second owner in certain circumstances) owns the property where the shingles and accessories are installed. For owners/structures not meeting above criteria, Lifetime coverage is not applicable. Lifetime Ltd. warranty on accessories requires the use of at least three qualifying GAF accessories and the use of Lifetime Shingles.

Ridge Cap Shingles

TIMBERTEX®

Premium Ridge Cap Shingles

Specifications

- Fiberglass asphalt design
- Available in 12" width
- 8" exposure
- UL 790 Class A fire rated

- UL 790 Class A fire rated
- CSA 123.5 98
- Florida Building Code approved
- ICC ES ESR-1475
- Miami-Dade County approved
- 48 (8" & 10") pcs./box (one box covers 31 linear ft. of finished hip & ridge) 3.2 boxes cover approx. 100 linear ft.
- Approx. 2 nails per piece

(Available only
in the Western area)

*Periodically tested by independent and internal labs to ensure compliance with ASTM D3462 at time of manufacture.

†See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions.

†† See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word "Lifetime" means as long as the original individual owner of a single family detached residence (or the second owner in certain circumstances) owns the property where the shingles and accessories are installed. For owners/structures not meeting above criteria, Lifetime coverage is not applicable. Lifetime Ltd. warranty on accessories requires the use of at least three qualifying GAF accessories and the use of Lifetime Shingles.

! Important Warning:

GAF Ridge Cap Shingles are designed to complement the color of your GAF laminated shingles. But some contractors cut costs by using the tabs from a 20-year or 25-year 3-tab shingle as your ridge cap. To ensure the closest color consistency for your roof, ask your contractor to use genuine GAF Ridge Cap Shingles!

for PROPERTY OWNERS

- **Perfect Finishing Touch...** Extra-thick design with massive 8" exposure is 195% thicker than strip shingles for a distinctive, upscale look
- **The Right Colors...** Designed to complement the color of your roof's shingles (unlike using cut-up 3-tab shingles)
- **Stays In Place...** Dura Grip™ Self-seal Adhesive seals each piece tightly and reduces the risk of shingle blow-off
- **StainGuard Ltd. Warranty...** Helps assure the beauty of your roof against unsightly blue-green algae†
- **Peace Of Mind...** Up to a Lifetime Ltd. warranty when installed on Lifetime Shingle roofs††

for PROFESSIONALS

- **Versatile...** 12" wide design fits over most ridge vents.
- **Easier To Install...** Newly-improved pre-scored design with large 8" exposure means no cutting or folding on the roof—and fewer pieces to install
- **Highest Quality...** Made with special, polymer-modified asphalt, so layers are sturdy and strong, yet bend easily to hug the ridge line

for PROPERTY OWNERS

- **Incredible Appearance...** Unique, ultra-high profile design is 382% thicker than strip shingles—to enhance the natural beauty of your home by sharply framing the roof line
- **Special Design...** Created for the unique architectural style of homes in the western U.S.
- **The Right Colors...** Designed to complement the color of your roof's shingles
- **Stays In Place...** Dura Grip™ Self-seal Adhesive seals each piece tightly and reduces the risk of shingle blow-off
- **Peace Of Mind...** Up to a Lifetime Ltd. warranty when installed on Lifetime Shingle roofs††

for PROFESSIONALS

- **Ready To Install...** Patented, pre-folded design with 8" exposure means no costly cutting or folding on the roof
- **Saves Time...** Fewer pieces to apply allows you to offer greater customer value
- **Highest Quality...** Special SBS polymer-modified asphalt helps prevent cracking and peeling during installation

ROYAL SOVEREIGN®

THREE-TAB SHINGLES

Color Shown:
Weathered Gray

SHINGLE & ACCESSORY LTD. WARRANTY
25 Years
LTD. WARRANTY TERM

for HOMEOWNERS

- **Homeowner Favorite...** In a recent blind comparison test, homeowners preferred the look of Royal Sovereign® to any other 3-tab shingle.
- **Proven Quality...** Over 10 billion Royal Sovereign® Shingles have been installed in North America—enough to circle the Earth more than 200 times if they were laid end to end!
- **Advanced Protection® Technology...** Minimizes the use of precious natural resources while providing superior protection for your home (visit www.gaf.com/aps to learn more).
- **Looks Great...** Color Lock™ ceramic firing process (similar to fine china) maintains true color longer.
- **Stays In Place...** Passes the industry's two toughest wind tests: ASTM's 110 mph and 150 mph wind tests.
- **Superior Performance...** Extra-strong Micro Weave® Core provides longer life and extended durability.
- **Safer...** Class A fire rating from Underwriters Laboratories—the highest rating possible.
- **Great For Resale...** Long-lasting beauty increases your home's resale value.
- **Peace Of Mind...** 25-year Ltd. transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first five years.¹

¹ See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions.

"Attractive, **Value-Priced** Shingle
Featuring GAF's Well-Known Quality"

Choosing The Best-Looking Shingle For Your Home

Some people think all strip shingles look pretty much alike. Not so! At GAF, we've gone to great pains to make Royal Sovereign® the most beautiful strip shingle you can install.

But don't just take our word for it. GAF asked an independent research firm to survey homeowners about whose 3-tab shingles they preferred. The result: More homeowners preferred the look of Royal Sovereign® Shingles to the other leading brands! And the #1 reason cited by homeowners? Royal Sovereign's color blends.

Here's just a sampling of what these real homeowners said about Royal Sovereign® Shingles:

"It has more vivid color, it is a more vibrant color... not faded."

"...looks clean, looks classier."

"Looks more natural [than the others] because of the colors."

"...stands out better than the other ones, I like the color, it is brighter."

"It looks rich and very durable."

¹ ENERGY STAR® Qualified (U.S. Only). In the Fontana, CA service area, this shingle meets the prescriptive requirements of Title 24, Part 6, of the California Code of Regulations and is rated by the Cool Roof Rating Council (CRRC).

Note: It is difficult to reproduce the color clarity and actual color blends of these products. Before selecting your color, please ask to see several full-size shingles.

Master Flow® Ventilation Products

Power Vents

Investing in a Master Flow® Roof Mount Power Vent increases the overall comfort of your home, helps reduce the cost of air conditioning and wear on the system, minimizes heat/moisture damage to roof and attic, and helps fight mold and mildew. Master Flow® Power Ventilators feature:

- UL Listed and Miami-Dade County approved (select models)
- Large flashing for easy installation
- Automatic thermostat, available with humidistat/thermostat control as an option
- Built-in thermal protection for safety

Whole House Fans

Master Flow® Whole House Fans help the property owner beat the heat and reduce air conditioning costs by forcing out hot air and bringing in cooler outside air.

- UL listed
- Ceiling shutter included
- Backed with 5- or 10-year ltd. warranties*

Roof Louvers

(with select models)

The Master Flow® line offers one of the broadest assortments of “energy free” products in the industry. Roof louvers, wall louvers, ridge vents, chimney caps, foundation vents, under-eave vents, and roof jacks, all in a large assortment of materials and colors, to meet every need.

Turbines

The Master Flow® line offers the finest “energy free” attic ventilators. Dual bearing turbines are:

- Backed by a ltd. lifetime warranty**
- Internally or externally braced; 12" and 14" sizes
- Available in a large assortment of colors
- Miami-Dade County approved without storm caps! (select models)

* See Master Flow® Powered Ventilation Products Ltd. Warranty for complete coverage and restrictions.

** See Master Flow® Ventilation Products Ltd. Warranty for complete coverage and restrictions.

Solar-Powered Vents

The ultimate in energy-saving power vents, Master Flow® Solar Power Vents use the sun's energy to remove damaging heat and moisture from your attic.

- Equipped with a brushless motor that requires no maintenance
- Available as 100% solar powered or dual solar/AC powered
- 100% solar-powered unit requires no electrical wiring or electricians
- Dual-powered unit runs at night or when the sun is not out; requires 80% less electricity than conventional power vents (when running on house power)
- 500 CFM Max (Solar); 750 CFM Max (AC power)
- Fully adjustable solar panel for optimal solar exposure
- Backed by a 5-year ltd. warranty with 2-year labor protection plus plan*
- Miami-Dade County approved (select models)

* For the current specifications on TruSlate™, which is genuine slate (not an asphalt shingle), visit www.gaf.com.

¹ Periodically tested by independent and internal labs to ensure compliance with ASTM D3462 at time of manufacture.

² All shingles with a Lifetime Ltd. warranty also have a 110 mph wind warranty. However, if the shingles are (a) installed with six nails per shingle and (b) installed using GAF starter strip products installed at the eaves and rakes, the wind speed coverage is 130 mph. The word "Lifetime" means as long as the original individual owner of a single family detached residence (or the second owner in certain circumstances) owns the property where the shingles are installed. For owners/structures not meeting above criteria, Lifetime coverage is not applicable. See GAF Shingle & Accessory Limited Warranty for complete coverage and restrictions.

³ StainGuard® Protection available in some areas. For Grand Sequoia® Shingles, StainGuard® Protection is only available out of the Mt. Vernon, IN plant.

Accessory Paint

SHINGLE MATCH™

GAF ShingleMatch™ Roof Accessory Paint will help to hide unsightly protrusions on the roof, including vent pipes, exhaust vents, and flashings.

- ⁴ Applies to some plants (that make referenced product).
⁵ Applies to white only.
⁶ Steeper slopes and maximum wind warranties may require more nails.
⁷ Applies to product sold in Canada only.
⁸ Application submitted and approval is pending.

Self-Adhering Low-Slope Roofing Systems

TruSlate™
"THE AFFORDABLE GENUINE SLATE"

NO
Torches,
Open Flames,
Or Fumes!

"Perfect For Porches, Garages,
Car Ports, And Sunrooms!"

LIBERTY™ SBS Self-Adhering Roofing System

- Safer... Self-adhering membrane system eliminates the need for open flames, torches, kettles, or dangerous chemicals
- No Fumes... Unlike conventionally applied systems, eliminates the fumes and odors caused by hot asphalt or solvent-based adhesives
- Proven Technology... Based on the same technology used in GAF's commercial roofing systems—proven in the field for decades!
- Quicker Installation... Often 1/3 faster than conventional systems, with minimal set-up or clean-up time
- No Extra Tools... No need to stage extra equipment
- Flexible Installation Options
- Great Warranty... Free ltd. warranty against material defects for up to 15 years*
- Extended Guarantee Available... Optional full-system guarantee against manufacturing defects and workmanship errors available for up to 20 years**
- 7 Popular Colors... To complement your Timberline® Series or other residential shingle roof

- Roll width is 39.375 in. (1.0 m)
- Roll size is 2 squares, 216 sq. ft. (20.1 m²)
- FM Approved, UL Classified

Liberty™ Cap Sheet Specifications (nom.)

- Roll length is 34 ft. (10.4 m)
- Roll width is 39.375 in. (1.0 m)
- Roll size is 1 square, 112 sq. ft. (10.4 m²)
- FM Approved, UL Classified, ICC-ES Evaluation Report pending

Liberty™ MA Nailed Base Sheet Specifications (nom.)

- Roll length is 66 ft. (20.1 m)
- Roll width is 39.375 in. (1.0 m)
- Roll size is 2 squares, 216 sq. ft. (20.1 m²)
- FM Approved, UL Classified

Color Shown:
100% Greystone

CORE COLORS

Greystone

Onyx Black

*See ltd. warranty for complete coverage and restrictions. **See guarantee for complete coverage and restrictions.

Please Note: These blended colors are designed to complement your shingles, not to be an exact match. Because of the small size of these samples, it is difficult to reproduce the actual color effect. Please be sure to see a full-size roll before making a final color selection.

Finally...Affordable **Genuine Slate**

for **PROPERTY OWNERS**

- **Genuine Slate...** TruSlate™ is genuine, hand-split quarried slate—not a synthetic imitation.
- **Stunningly Beautiful...** Truly differentiate your property and increase curb appeal with TruSlate's rich color palette.
- **Stays In Place...** High-performance TruGrip™ System helps ensure that the TruSlate™ system stays in place and reduces the risk of blow-off.
- **Affordably Priced...** A TruSlate™ roof is often comparable to the price of an imitation "slate" roof.
- **Ingenuously Designed...** The TruSlate™ system typically eliminates the expensive structural modifications that old-fashioned slate roofs require.
- **Peace Of Mind...** Lifetime Ltd. transferable warranty with Smart Choice® Protection (non-prorated replacement material and installation labor coverage) for the first twenty years available. Product must be installed by a GAF SlateCrafter™ Specialist.*

for **PROFESSIONALS**

- **Easy To Install...** If you can install asphalt shingles, you can install the TruSlate™ system with only minimal training.
- **Complete System Available...** Includes TruSlate™ Field & Trim Slates, TruSlate™ Ridge Vent, UnderBlock™ UV & Moisture Barrier, TruGrip™ Battens & Hangers, Lay-Straight™ Alignment Tape, GAF Leak Barrier, and GAF Roof Deck Protection.
- **More Referrals...** Wait 'til the neighbors see the beautiful slate roof you've installed!

* See TruSlate™ Ltd. Warranty for complete coverage and restrictions.

Note: Due to the inherent variability in natural slate (as well as the limitations of the commercial printing process), the actual color and texture of your TruSlate™ roof will vary from that shown in this catalog.

GAF

CELEBRATING 126 YEARS OF EXCELLENCE!

Advanced Quality

Professional installers have long preferred the rugged, dependable performance that only a GAF roof can offer, and have made our Advanced Protection® Shingles the #1 brand in North America!

- Inventors of the **Timberline®** Advanced Protection® Shingle—the #1-selling shingle in North America
- Rated **#1** in shingle quality by contractors and home builders
- Named **#1 in innovation** for shingles and ridge ventilation by **home builders**
- Named **most-recommended** brand by upscale remodelers
- First to pass ASTM D3161 Class F (110 mph) and ASTM D7158 Class H (150 mph) wind ratings on every manufactured shingle (per UL public listing)
- First to produce an energy-efficient asphalt shingle available in rich colors, called the **Cool Color Series** (now called Timberline® Cool Series)

Expertise You Can Count On

We've been at this for 126 years. Why turn to anyone else to protect your most valuable asset?

- Manufacturing locations **across North America**—to serve you better

- C.A.R.E. installation training program that has provided education to over **125,000 industry professionals**
- Regularly sought out to appear in leading **home and garden** publications and on home improvement networks such as **HGTV**

Solutions Made Simple

Getting a new roof shouldn't be an exercise in pain and frustration. So we've made it easy!

- Our **GAF Lifetime Roofing System** includes everything you need to provide reliable, water-tight protection for your home
- Our factory-certified contractors—more than **4,000 strong nationwide**—eliminate the risk that your roof will be installed by some fly-by-night contractor
- Our industry-leading warranties—**backed by North America's largest roofing manufacturer**—will provide you with the peace of mind you deserve

Quality You Can Trust...From North America's Largest Roofing Manufacturer!™
