

Medical Tourism Mazatlan Teams Up With Hospital Marina Mazatlan

Medical Tourism Mazatlan is an emerging community resource designed to help you find the right medical attention for whatever is necessary. It might be a good idea to keep their contact information handy wherever you go, because you never know when you might need it. Their motto is “We never leave your side”, and they will guide you through the often baffling local health care labyrinth, connecting you with the best qualified professional health practitioners in town.

Partners Scott Kramer and Sean Alvarez are both long term Mazatlan residents of many years, and they share their expertise and experience with their clients to make sure that their needs are taken care of in the best way possible. Whether it is a sprained ankle or any form of surgery, cancer treatment, an emergency or a planned operation, cosmetic details or dental implants, no medical issue is too small or too complicated for Medical Tourism Mazatlan. If you want to acquire traveler’s insurance they can assist you in arranging it. Doctors who make house calls, 24 hour nursing care, blood banks, all the things you hope you won’t be needing here but just might, they are ready, willing and able to handle them for you at a moment’s notice.

Scott and Sean are both local business owners and registered agents with the International Medical Group. They are fluent in English, and will be happy to answer any questions you may have. This is not an impersonal automated reference network, it is a personal service where you are a face and a name, not just a policy number. Medical Tourism Mazatlan collaborates extensively with the state of the art Hospital Marina Mazatlan, and also has a long referral list of highly

recommended specialists that have been personally interviewed and vetted. Whether you are a student, a retiree, a tourist or a business traveler, it is a good idea to be prepared in advance for any eventuality. It is a scary feeling to be trusting an ambulance driver to take you to the best treatment center possible, not just the one that offers him the biggest reward for hauling you in. Why take chances?

It is no secret that health care costs here are a fraction of what they are in the US, and medical tourism is a growing phenomenon as more and more folks discover the benefits and savings to be had. The catch is, well, all that glitters is not gold and it is important to know whom to trust. By letting Medical Tourism Mazatlan be your guide, you can relax and enjoy your stay, knowing that you are covered for any eventuality.
