Hello,

Thanks for contacting me this morning. We are available on Saturday, November 23. I would just need to know the start time and schedule for the day.

**Bishop Photo has been in the business of youth sports photography for 36 years.** We offer quality products for your players & parents, a well-trained staff of kid-friendly photographers, a full-time customer service department and our own full-service color lab. **We work with hundreds of organizations just like yours and we would love to put YOUR TEAMS on OUR TEAM!**

*As a NEW 2019-2020 Premier Customer, we will provide the following incentive package:*

**A \$3 rebate for every package purchased and a \$3 rebate for every Memory Mate purchased, plus a \$1 rebate for every extra item purchased.**

**FREE 5 x 7 group photo for EVERY instructor.**

**ALL group photos available electronically for promotional and website use – FREE!**

**FREE 3 x 5 feet vinyl group composite banner featuring all group photos and your logo.**

**FREE 8 x 10 Photo Calendar for anyone who places their order online.**

**NEW NEXGEN Memory Mate template featuring a larger individual photo that parents love!**

**Compare our prices and incentives** – We have products starting at just \$9.00 and our very popular Custom Memory Mate featuring an individual photo, a team photo and your logo is only \$17.00, and you get a \$3 rebate for every Memory Mate purchased. Parents can purchase packages or a la carte items depending on their needs. **We offer two ways to order. Parents can use the order envelopes that we provide or they can use our online ordering site.**

**We know that busy sports' parents love to order their photos online. NOW, we've made it even easier with our mobile optimized site!** I'm sure that your parents NEVER forget to bring the order envelope on Picture Day, but if they do, they can order photos on their smartphone right from the gym! **And, anyone who places an online order will receive a FREE 8 x 10 Photo Calendar, that's a \$18.00 value FREE!**

**Please let me know if you have any questions.**

Thanks,  
Michael
