

## What We Offer

### SEN Consultancy

£450 per day or £225 for 1/2 day

Bespoke support and advice in implementing the Code of Practice within your school. Example support includes: SEN audits, implementing the graduated approach, provision mapping and costing.

### SENCo /Associate SENCo

£400 per day or £200 for 1/2 day

Undertaking the role of SENCo in a small school or supporting an existing SENCo in school.

### Access Arrangements (JCQ compliant)

£450 per day or £250 for 1/2 day

GCSE and A Level exam access arrangements assessments undertaken and form 8s completed. Please contact us to discuss the number of students requiring assessment to maximise the use of time during the day.

### Specialist Teacher

£450 per day (3 to 4 children with reports)

£250 1/2 day (up to 2 children with reports)

- Advice through a written report based around a child's strengths and difficulties with practical recommendations for implementation in the classroom.
- Working with a child or group of children to support their needs.

### Full Diagnostic Assessments for Dyslexia, Dyscalculia or Dysgraphia

£480 per child with report

A diagnostic profile collected through discussions with teachers, parents and child, alongside standardised assessments. Written report produced compliant to SASC guidelines. These legally recognised reports diagnose the SpLD and offer recommendations to school and home to support the child.

### Training and CPD

£300 per hour (further rate reduction for schools who also access other regular support)

A bespoke range of training is available for individuals, schools and clusters across all areas of SEN. Some recent examples include Quality First Teaching for Neurodiversity, Precision Teaching training for TAs, Dyscalculia, Evidencing Impact. Please contact us to discuss your requirements.

## New for 2019/2020

### Pupil wellbeing / Play or Art Therapy / Staff Supervision

£150 per day or £80 per 1/2 day

Supervision to support staff or student wellbeing by a counselling practitioner with over 17 years experience as a school chaplain and counsellor. As a Director of Rainbows UK, a charitable organisation to support young people through significant loss or change, she can also help you to set up the Rainbows programme within your school.
