A NOTE FROM MISS JULIE

We enjoy spending time outdoors and the children thrive from what is known as free play - unstructured time to direct their energy. We understand that parents might have after school obligations and a wet or muddy child will need to change clothes. Please for this Spring break up, pack an extra set of clothes in your car - we want them to have tons of fun and fresh air!

MONTHLY THEMES...

EASTER WEEKEND, APRIL 5TH

EARTH DAY - WEDNESDAY, APRIL 22ND

We will be having our Easter party in preschool on Friday April 3rd.

SUNDAY, APRIL 19, 2015 11 AM - 4 PM

PIONEER PARK CIVIC CENTER

This is a free event and everyone is welcome! Keep your kids from being bored this summer, and find cool stuff for them to do this summer! The Interior offers lots of fun camps, sports, and programs for all ages! The Summer Activity Fair makes it easy for parents and kids to learn about all the Interior's summer activities by bringing organizations to one convenient spot so you can ask questions, get brochures, participate in hands-on activities, and even sign your kids up on the spot!

To learn about earth day we will explore recycling and reusing by creating art from already used materials and outdoor art from dirt, sticks, and whatever else we could find on the ground outside! With Spring upon us, we will explore gardening and plants this month!
