

Minutes from last meeting (I was going to send a photo of my scribblings but EVEN I can barely read them)-

President Scott called the meeting to order at 4:30 PM

In attendance: Scott, Frank, Paul, Don, John, Diane and guest Parliamentarian Darleen Harlan (the Whites showed up ?? ~5:15 and Joelyn ~5:30)

Diane and Paul read the agreements

Scott read the minutes from prior meeting; approved

Darleen/Parliamentarian gave a great presentation (first of two) 4:45 - 5:15; very informative! She will be back in October.

President's report

VP's report (Don - mentioned biz cards are available)

Treasurer's report (John); \$1600 balance

Ad hoc report: insurance

Unfinished biz: seeds? Do what with...

New biz: take down fencing - Joelyn motioned/Don seconded "Take down entire fence...".

Much discussion ensued, Scott had to leave (as did others) so discussion continued w/two action items:

1. Will the city actually deliver dirt to continue planting?
2. What if any left over fencing materials are available?

I apologize for the brevity of these notes. Feel free to revise as required.

Lastly, I will be out of town on business Monday and will miss the meeting.

Respectfully,

Don Weirens
