Greetings ONE-TLC Friends and Family...

We Trust you are enJOYing this Wonderful weather
and the Beauty this new season offers.

ONE-TLC is in the process of Transformation!

We have been excitedly brainstorming and planning the expansion of ONE-TLC with new Practitioners; Ashley Winkelmann, and Jerry Winkelmann who have completed training and are undergoing internship for certification as ONE-TLC Transformational Life Coaches.

We give a big **'THANK YOU'** to Master Practitioner, Rosemary Slade, for her advice and intuitive insights as we all work together to create a Community and facility that Supports Self-Mastery, Greater Awareness, and Creative Expression.

Discover & Align with Your Spirit/Soul Aspects

We invite You to join us on **Saturday, January 12th** for our first **Discovery Event** of 2019.

You will gain Clarity & Understanding as you journey INWARD to Embrace and Express Your Divine Soul Essence. Rosemary, Jerry, & Ashley will present a Self-Discovery Session in the morning and offer private sessions in the afternoon.

During the morning Session you will discover Who-What-Why you are Humanly here on earth and gain an understanding of Your Spirit/Soul Aspects so you can Heartmonize them with your human soul desires. Private sessions in the afternoon will clear any issue, discover Your Spiritual Mission, and/or resolve any Spiritual or Paranormal conflicts.

See www.thecarmineconnection.com/EVENTS.html for more details.

Ashley Winkelmann is a humble explorer of all things worldly and beyond; a lover of all beings. She is called to serve in uniting all to oneness now. Ashley expresses soul through her artwork, her love to cook, and connecting to nature.

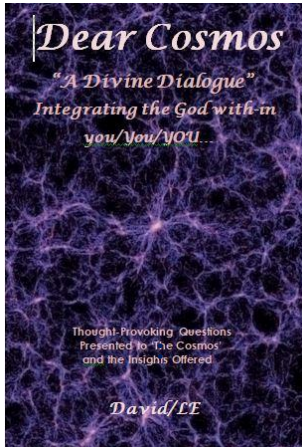

Jerry Winkelmann is an upcoming ONE-TLC life coach who enjoys one on one or group settings to serve others with love in discovering their truth and greatest joy. He is an explorer in music and sound techniques. He works in harmony with spirit and nature to foster an environment for the unfolding of the fullest divine potential of possibility in life. He looks forward to helping you along your journey into love and light.

A big 'THANK YOU' to both for your willingness to step forward and actively express your Heart's desire!

Joke of the Month

How do I get over there?

**You're ALLways...
"Over There!"**

Look Inside Again.

Message of the Month

The following was channeled by David/LE/Rumi
On September 25th, 2018.

"True Love is only experienced, expressed, and created through relationships with OneSelf. It is only then that the reflection of the Love you ARE can be known. It is through this reflection of what we ARE that allows for the embrace of self-Love."

Gaia is a feminine nurturing Divine expression of this Truth, EVERYTHING physically manifested in Divine Connection with Spiritual thought is a synergistic union between male/electrical and female/magnetic potentials that represent Divine Unity, Harmony, & Joy representing 'Heartmonizing'."
