It's Raining in Costa Rica - Rev. Blaine Young

I had the privilege of being one of a ministry team of two during a March, 2013 missions trip to Costa Rica, a Central American nation that is essentially a tropical rain forest and beautiful coast to coast. Ministry during two previous trips to Costa Rica was accompanied with tremendous amounts of rain. Since we were conducting outdoor meetings during this trip, we were praying for warm, sunny weather.

the Father and of Jesus Christ. It is right in the middle of His will. We were so Blessed, it only rained one day out of eleven while we were there and then only for a few hours. All meetings were able to be conducted as planned.

The move of God's Spirit is alive and well in Costa Rica. While there was no

natural rain, it was a cloud burst in the Spirit. God's presence was so tangible as we ministered in churches, Bible schools, pastors conferences and open-air crusades in multiple communities. We witnessed dozens of salvations, healings and people filled with His Spirit. His ministers were also encouraged and refreshed.

Jesus Changed Everything

Some six thousand years ago God put His perfect plan for humanity into motion. Adam and Eve were living in harmony with that plan until the deceiver lured them into rebellion. Creation and mankind alike were separated from God's perfect will and the curse, the opposite of blessing,

became the rule of the day. However even as God completed pronouncing the curse, in Genesis 3:15 He announced His Son would come forth from the Seed of woman.

With the coming of the Son of God, representing

humanity as the Son of Man, Jesus would make all things new.

Four thousand years came and went, but then it was time for the arrival of His Son and fulfillment of the promise God

The major theme of this trip was, as it has been on each trip, to mobilize the Body of Christ to bring in this final, great harvest of souls around the globe. We were led by the Holy Spirit to emphasize this in each service. It was such a blessing to see the people be so responsive to the Lord's rally call to His Body in this hour.

In one of the last churches we ministered in, two young evangelists had been raised up in that church within recent months. We conducted one of our last open air crusades with this church congregation, a first for them in a nearby community. During that crusade there were fifteen salvations and well over 50 children ministered to.

All fifteen converts showed up at

the Sunday church service the next day. The pastor and the congregation were so Blessed. Further, the church was invited back to the same community for additional open air crusades. God had opened a door that no man can close. It's a matter of souls and God will have His harvest.

Sometimes the most amazing moves of God are not the most spectacular ones. Seeing this church actively engaged in evangelizing a nearby community was both miraculous and supernatural. I am anxious to hear reports from them over the coming months.

“God had opened a door that no man could close. It's a matter of souls.”

During one ministry service Reverend Borda was led to pray for the children in the congregation, so all were rounded up. While praying for one 8 year old girl, she went out in the Spirit for almost thirty minutes. When she came to, Reverend Borda asked her to share what happened while she was out. She shared that she had been with Jesus, walking hand in hand, and received His assurance of protection for her. Jesus told her He was coming back very soon. Amen!

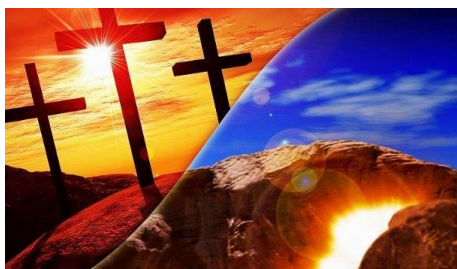

As often happens on the trips overseas, the completion of a trip to one nation opens doors to another. Reverend Borda received an invitation to travel to Cuba and we both were invited to minister in Panama, as well as to return to Costa Rica.

Please be in prayer with us for God's divine purpose and timing for each of these trips.

made way back in the garden that day. That's why Galatians 4:4-7 says "But when the fullness of time had come, God sent forth His Son...". And with the fulfillment of that promise, in one awesome act, God set into motion the most miraculous event of all time.

with every spiritual blessing in heavenly places in Christ..."

There is not one spiritual blessing that can be had by us that God the Father has not already given us in Christ. We are joint heirs with Him. As it says in Ephesians 2:10, "For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them."

Remember, there is no greater "good work" at this time than to preach the Gospel of the Lord Jesus Christ to every person, to every nation. Jesus changed everything by one miraculous act. Let's make sure everyone knows.

With the coming of Jesus Christ, the Son of God, everything changed. **Jesus' coming changed everything.** He bought us out from under the law, which no man can fulfill, and brought us into sonship, adopted by God.

**"Jesus' Coming
Changed Everything"**

We have the Spirit of the Living God now living in us. We were slaves to sin but now we are sons and daughters of righteousness. We were in spiritual poverty but rich in Christ and heirs of salva-

tion in Him. We are still learning the details of everything that Jesus has accomplished in God's redemptive work, but the Bible gives us incredible glimpses. In Ephesians 1:3 Paul writes "Blessed be the God and Father of the Lord Jesus Christ who has blessed us

Preaching the Word Somewhere in Asia

The senior pastor of the church Teri, Erica and I attend in Tulsa, Oklahoma often says, "I don't think someone should hear the Gospel twice until everyone hears it once." On the map to the right, the region in red is referred to as the 10/40 window. The 10/40 window is a term used to describe a region of the world within 10 and 40 degrees latitude from Western Africa to Eastern Asia.

There are over 3.6 billion unreached people in the world today, of which 88% live in or near the 10/40 window. This is why it is so vital for the Church to continue to focus evangelistic efforts on this area. They won't know unless we go. This winter, that is where you will find me, country undecided but it will be somewhere in the 10/40 window. Please agree with me as God shows me where. Amen!
