*"I learned that we are part of a larger network of sisters and brothers who hold each other close in prayer in good times and bad, help us strengthen our prayer life, support and love those who are representing ETIPM on the international stage around the world."*

*"Throughout the day, joy bells were ringing in my soul, and God favored me so that I was able to go on the prayer line even when I was at work."*

## My Jubilee 40-Day Fasting Experience - By Sister Marie

I thank God for His goodness, mercies and favor towards me every day. I had never heard of any prayer line until I miraculously met, then, "sister" Mireille Desrosiers, who invited me to the prayer line, which was then called "The Good Morning Lord Prayer Line. (GML)"

I am honored to represent ETIPM which I became part of over seven years ago, then contributing partly. But when God permitted me to retire in 2013, I was able to become fully active in the ministry for which I blessed His Holy Name! My view of our roles as a prayer warrior changed when I attended my first ETIPM conference in Connecticut with my friend Hyacinth Hutchinson.

I was excited to be a part of the

retreat and bonding with God's precious people. I was also looking forward to meeting many of these saints face to face that I had only heard their voices on the prayer line, it was a blessing.

Spending a weekend with these sisters and brothers from ETIPM at the first at the conference and again at the retreat in December, opened my eyes to what it really means to be a "daughter of the King, a prayer warrior and an intercessor. That retreat was the good desert after a good meal. The love, fellowship, encouragement and the music were all things to be desired daily.

I learned that we are part of a larger network of sisters and

brothers who hold each other close in prayer in good times and bad, help us strengthen our prayer life, support and love those who are representing ETIPM on the international stage around the world.

After the retreat in December, I returned home with a new appreciation of our prayer line and enthusiasm to continue glorifying God to the next level to fast and pray and spread the Word to the best of my ability. When it was time for our Jubilee 40-day fast, I realized that I am still having trouble with the fasting part. Nevertheless, may the Name of our Lord be blessed now and forever!

## My Jubilee 40-Day Fasting Experience - By Sister Clover

I must give thanks to the Lord for the wonderful time of fellowship, fasting and prayer and that He allowed me to share with the saints during the 40 day-fast. I give thanks for the Holy Spirit who helped and sustained me throughout the duration of the fast.

I have never done such a lengthy fast before but I can truly say I was richly blessed and uplifted spiritually. The first two days of the fast I was attacked with headache, but just getting on the prayer line with the saints gave me a breakthrough and the

headache left. My son in Jamaica came under attack and I know that this was a distraction, but the prayers and encouragement of the saints lifted my spirit and I was able to continue the fast. I went to bed with a song on my lips at night and I woke up with a song in the mornings. Throughout the day, joy bells were ringing in my soul, and God favored me so that I was able to go on the prayer line even when I was at work. What a blessing I received by just touching and agreeing with God's servants as they prayed, share the Word, and played the songs!

My son's finger was saved, and I am still trusting God to do a complete work in his life and in my other family members life that were prayed for. I am waiting for my miracle with my immigration situation. I say a hearty thank you to pastor Mireille for availing herself to be used by God, I pray God's blessing upon all of the ETIPM members and ministers for standing in the gap. It is a real blessing to know that there are praying believers who will not back down, or let up, but are taking authority in the name of Jesus.

Yours in Christ!

## My Jubilee 40-Day Fasting Experience - By Sister Fiona

I never would have made it without You, Lord. I've truly come this far by faith, leaning on Jesus. Praise God!

This was my first fast of this magnitude, and a great blessing. I love television, bread and sweets and those things I omitted from my fast. I had very little meat. I drank a lot of water and included fruits and vegetables. The dry fast I was worried about...but I was able to hold up until 9am Saturday morning. The things I was worried about, God already worked out. 'I can do all things...', if I keep my eyes on Jesus.

The Lord took my desires and craves away for food so I could spend more time with Him. Thank you, Lord!

At times I got light-headed, and occasional headaches, but I pushed ahead, because the teaching videos prepared me for them. I also lost much weight, my stomach shrank, so now I have to continue to eat small meals.

The Holy Spirit manifested

Himself in many mighty ways. He spoke to me, instructed me, and gave me messages for others. I could always feel Him and, Oh, such joy...it's still spilling over!

The Lord wants blind obedience. One morning at work, He instructed me to lie on the carpet. I'm looking at the lady's dirty carpet, and saying, 'do what?' But I did it...after I laid in His presence for a while, He said, 'now stop on your way in the mornings and pick up a blanket from the laundry room.' I'm still doing it today, because I want to stay in His presence. By the way, shortly after, they replaced the carpet.

My older daughter got a \$2500, scholarship...\$1000 of which she'll use to buy a computer she needs, and the rest will go towards the student loans. I see this as the Lord slowly chipping away at the school loans. My younger daughter just recently received a Black Achieve-

ment award from RCC, in the same week.

I mentioned online that the Lord sent His angels to transport me on the coldest days. He's so Awesome! One lady cooked an entire meal for my family and called my cousin to pick it up, to surprise me...Praise God! And the list goes on...

But I was well fed, the materials were a great blessing. The testimonies were awe-inspiring and the prayers were fruitful.

God bless you Pastor Mireille, may His anointing continue to flow in abundance in your life! May He strengthen, encourage, and use you mightily. God bless your family and may the windows of heaven be open to you!

God bless ETIPM Warriors!  
God has got your backs!

## My Jubilee 40-Day Fasting Experience - By Sister Trish

First, I would like to thank our God for another opportunity to make changes in my life under the anointing of the Holy Spirit during the 40-day fast, and knowing that I was not alone; because we that believe want to be changed and be used by our Heavenly Father. It does take fasting and praying together to

do God's will, and doing it with my brothers and sisters made it a refreshing experience every time we met. My instructions from the Lord were, one meal a day and to pray continually as much as possible in the Spirit. As I tried to walk by the Spirit, my flesh didn't cooperate easily. But, nobody but God saw my

struggles, even now as I continue after the fast by yielding to the greater One within me. Truly, it was a battle and still is, in trying to crucify the flesh. I found out that God did allow others to minister to me as I continue this journey to see the doors of God's grace and rewards for obedience. I will allow Him to correct and

perfect the things that concern me for His Glory, in the face of Christ.

*Thanks be to God,  
who always leads us in triumph  
IN CHRIST  
and uses us to spread the aroma of the  
knowledge of Him everywhere*

## My Jubilee 40-Day Fasting Experience - By Elder Brenda

***“I had been praying to God since last year for a new church home. God told me last year not to focus on finding a church home but to focus more on sitting at His feet. He told me I had been a Martha for many years, working in the church. However, He was now calling me to be a Mary, worshipping at His feet, and getting ready for the next move of God in my life.”***

ETIPM’s 2016 40 Day Consecration really changed my life. I was eager to participate to receive answers to awaited prayers and manifold blessings from God. Pastor Mireille, the founder of this prayer ministry, reminded us that this was a special year—a Jubilee year, a time when God released to His chosen people, every 50<sup>th</sup> year, blessings and favor. It marked a time of celebration and restoration for the people of God. During Jubilee year, Israel’s debts were always cancelled and slaves were always set free.

In the beginning of this year, the Lord spoke to me and said this would be my year of celebration and restoration. I had many things before the Lord during this consecration and I needed God to move mightily on my behalf. My prayers were not just centered on myself but also my family and friends. I prepared myself physically and spiritually before the consecration because I knew I wanted something special from God. I also created a plan for my consecration, something I never did in the past. This plan helped me to stay focused each day and meditate on specific scriptures pertaining to my prayer requests.

I particularly loved the week we prayed and fasted for the intercessors. Every year, Pastor Mireille designated a week of fasting and prayer for just the intercessors. During this week, each intercessor’s personal prayer requests are petitioned before the Lord. Before I created my prayer list for 2016, I reviewed my prayer list from the previous year. I had to thank God. I can honestly say all those prayers on

my 2015 list were met. During the first few weeks of this year’s consecration, God answered a long awaited prayer and some of my “secret closet” prayers. He also renewed my strength in some areas of my life I needed spiritual restoration.

Shortly after the consecration, God granted some prayer requests from my 2016 list. For instance, I had been praying to God since last year for a new church home. God told me last year not to focus on finding a church home but to focus more on sitting at His feet. He told me I had been a Martha for many years, working in the church. However, He was now calling me to be a Mary, worshipping at His feet, and getting ready for the next move of God in my life. God had given me the assurance in the beginning of the year that I would get my new church home in 2016, but first I had to be obedient to His instructions for my life. He told me if I would trust and obey Him He would lead me to the promise land, the land flowing with milk and honey. One of my prayers for 2016 was that God would accelerate things that I have been praying for in my life to come to pass. As I obeyed the instructions of the Lord during the consecration, God performed a sudden work and granted me a new church home. To God Be the Glory for the GREAT THING HE HAS DONE!

Moreover, this year I was petitioning God to accelerate

healing in my mother’s body. My mother, Ada Robinson, had two surgeries on her leg in 2015 that left her hospitalized for at least six months. The doctor told us after the last surgery that she would be incapacitated for at least six months. In other words, she would not be out and about until at least May 2016. In my spirit I said, “Whose report will you believe?” I replied, “I will believe the report of the Lord. His report says I am Free, Healed and have the Victory.” Because I knew that God was a God of acceleration, I was claiming a speedy recovery for my mother. As a result, my mother was healed in three months instead of six months. She was able to go to church during Holy Week and Resurrection Sunday. God has done miraculous things in my life and my family’s life so far since the 40-day consecration. I wait in GREAT EXPECTATION of what He will yet do during this JUBILEE YEAR!!! Now Thanks Be Unto God Which Always Causes Us to Triumph Through CHRIST... (2 Corinthians 2:14).

THANK YOU  
*Lord*

I will not use my words to describe the situation. I will use my words to change my situation. I will call in favor, good breaks, healing, and restoration. problems about how big my God is. **This is my declaration.** **I DECLARE** I will not just survive, I WILL thrive! I will prosper despite every difficulty that may come my way. ## Spring Forward - by Sister Trish

God has always used the pictures of nature to tell us about Himself. Actually, the Bible is a picture book that we can step right into each person's life and see Him, and even ourselves, Creation itself reveals what God is like. All we have to do is to look very closely at the things He has put in front of us through His Word. Paul tells us that ever since the creation of the world, God's eternal power and divine nature, invisible though they are,

have been understood and seen through in the "Word" from the beginning of time. He used the stories in the Bible to help us follow His leading through the power of the Holy Ghost, which is revealed to us today in our current lives.

"For ever since the world was created, people have seen the earth and sky. Through everything God made, they can clearly see His invisible qualities--His

eternal power and divine nature. So they have no excuse for not knowing God." Romans 1:20 NLT.

If a tree is planted as a seed in the springtime, all of the conditions for the seed, and the little seedling to come, should be perfect. It needs to be planted in good soil, enriched with fertilizer, and watered faithfully. If these conditions are present, the seed germinate and grow according to the Creator's plan. When

we accepted the Lord Jesus Christ as our personal Savior, God plants the seed of the Holy Spirit within us. Hopefully, our lives don't have to be in good soil for this seed. Because His perfect gentle touch will shape and mold us, so we can spring forward to the new life which was His original plan. Rest and trust His correction or perfections as the seasons and times change for His glory to be revealed to you and others.

## The Gift of Grace - by Sarah Bowling

Now imagine that I have just presented you with a beautiful wrapped package.

"Wow, that's a cool package!" you say...but you never opened it. Or I give you a letter...but you never read it, never do anything about it. You will miss the whole point. Some years ago, as the "Charismatic Renewal"

movement was starting, people were being "slain in the Spirit," and falling on the floor. Always in the back of my mind, I thought, "But that's not the goals. The floor isn't the goal. The change is the goals." You can receive the package, but miss the point. That's not what grace is. Grace is the Change. All these experiences "Apostle Paul" and

Peter reminds us--it's a grace opportunity. We've received a grace package, if you haven't open it now! 1 Pet 5:10 (NIV), Lam 3:22, 23)

## 2016 YEAR OF JUBILEE - DAILY DECLARATIONS *(continued from page 5)*

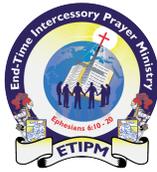

**I DECLARE** God is working all things together for my good. He has a master plan for my life. There may be things I don't understand right now but I'm not worried. I know all the pieces aren't here yet. One day it will all come together and everything will make sense. I will see God's amazing plan taking me places I

never dreamed of. **This is my declaration.** **I DECLARE** God is going before me making crooked places straight. He has already lined up the right people, the right opportunities and solutions to problems I haven't had. No person, no sickness, no disappointment, can stop His plan. What He promised will come to pass. **This is my declaration.**

**I DECLARE** God's incredible blessings over my life. I will see an explosion of God's goodness, a sudden widespread increase. I will experience the surpassing greatness of God's favor. It will elevate me to a level higher than I ever dreamed of. Explosive blessings are coming my way. **This is my declaration.**
