Yokkaichi Plan

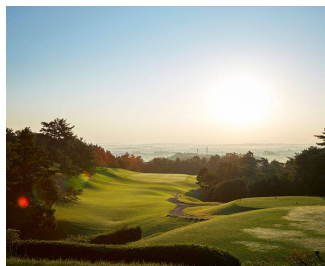

About a 1 hour easy transfer by car from Chubu International Airport! Packaged plan with golf and accommodation at "Miyako Hotel Yokkaichi" all easy walking distance from Yokkaichi station offering plenty of restaurant options. One night breakfast and lunch plan including 18-hole round. Just a 30 minute transfer to the course.

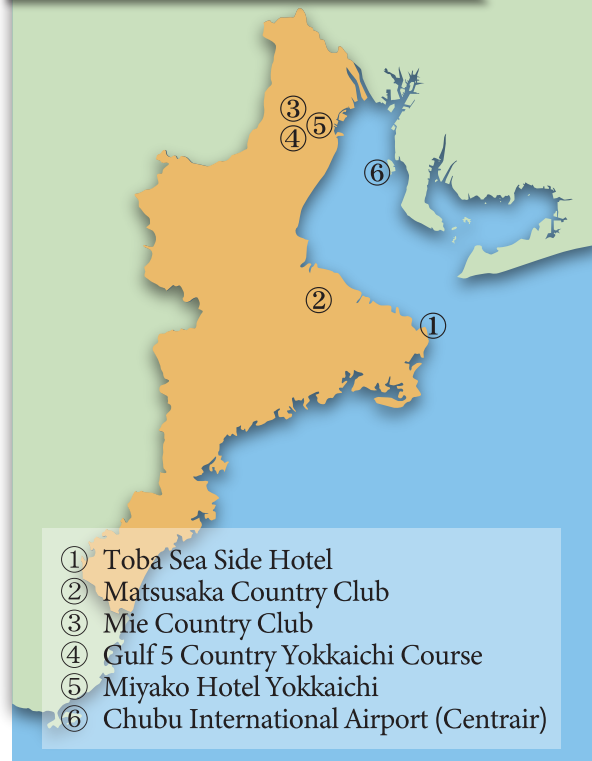

Mie Country Club

About 30 minutes from the hotel

A club with a long and rich history situated on a prime piece of land nestled at the foot of Mount Gozaisho. Surrounded by mature forests the natural slope of this location gently rises up to the base of the mountain offering just enough elevation change to keep things interesting while providing stunning views. A great combination multiple tees and wide tree lined strategic holes, make this course perfect for both beginners to expert golfers. A well thought out strategy is a must if you are to navigate and avoid the many bunkers and natural water hazards along this legendary course. The number 12th par 5 is the signature hole which requires two well placed shots to get you in position to attack this elevated, seemingly impregnable hole! Take an extra club and experience the thrill of attacking this green.
