## **Message from the President**

The year is certainly flying by. It has been an honor to serve as your President for the past year. I had the opportunity to represent SDDS at various community events. It has also been rewarding for me to attend the many SDDS events throughout the year. Seeing the happy faces of all members in attendance encourages us to continue to bring on more activities for the whole family to enjoy.

I have also had the distinct privilege of getting to know many of the members throughout my years of participating in the SDDS activities. We have celebrated many successful and happy events. One of the most important responsibilities of the position is to recognize and honor our members. Many times it's when a member has accomplished something or won an award. The next few members whom I would like to honor in this newsletter have sadly passed away in the last month or so.

Darren Chun was a dear friend who always was one of the first to volunteer to help. Never complaining and always happy to serve, he approached life and service the same way. He was always concerned about SDDS and looked for ways to help make our programs and events memorable.

Calvin Ching has been involved in SDDS and the Ching Clan for many years. He always put on programs that benefitted the members and the community. As a Board of Director, he was very conscientious of his duty to the SDDS and made every effort to attend our monthly meetings. I always knew that it was a going to be a good meeting if Calvin was in attendance.

Dr. Herbert Chinn is known for spearheading the effort to raise funds and secure financing for our current Society building. He dedicated a good amount of time towards ensuring that SDDS would have a steady revenue stream to maintain the funding for the various member programs and events. SDDS was just one of the many beneficiaries of his talents.

There are so many more unsung heroes of SDDS. It is my hope that I get to thank each one of them personally for all they have done for the betterment of SDDS.

## **Movie Night**

Friday November 10, 2017, Showtime 7:30 See Dai Doo Society Great Hall

In profiling Chinese adoptees in contemporary America, Linda Goldstein Knowlton (THE WORLD ACCORDING TO SESAME STREET) has created a deeply moving documentary illustrating that even the most specific of experiences can be universally relatable. Of the roughly 80,000 girls who have been adopted from China since 1989—a decade after China implemented its One Child Policy—the film intimately follows four teenagers: Haley, Jenna, Ann, and Fang. These four wise-beyond-theiryears, yet typical American teens, reveal a heartbreaking sense of self-awareness as they attempt to answer the uniquely human question, "Who am I?" They meet and bond with other adoptees, some journey back to China to reconnect with the culture, and some reach out to the orphaned girls left behind. In their own ways, all attempt to make sense of their complex identities. Issues of belonging, race, and gender are brought to life through these articulate subjects, who approach life with honesty and open hearts.
