### Last Week's Run Report

#### Run 694; Fremantle Glass

##### Hare; X. Ray for his birthday

A Sign Of The Times.....

Well, well, well..... things certainly are different these days at Freo Hash. For the last few weeks we have had some \*interesting\* trail markings. From the positively skinny, teeny-weeny to the rotund ! At this week's run, set by X-Ray, they were very rotund... some even ventured to say pregnant-like. They resembled moons with mortar boards. Still, the runners and walkers went on their way, slightly bemused at the trail (what the ....???) Despite that, it was a good run complete with scenic drink stop.

Back at the circle, points awarded were somewhat confusing for a good run ... but averaged about 4 all up ...or is that -4 ..... Anyway, the circle was efficiently run by the GM and RA (although some errors did occur... mentioning no-one in particular) There were some unfair charges but significantly the \*Bloomers of Shame\* were very fairly inflicted on Tag for leading Pink Bits around the garden path, up it, past it and down it ! I mean really ..... Also, there could have been some potential shoe drinking but it was reversed. One or two jokers amused the pack and others didn't....

As it was getting chilly we ended the circle with a shockingly bad version of the Freo song and moved on to a delicious, warm noodle nosh. Thanks go to the X's
