Overview

According to the Center for Disease Control and Prevention (CDC), a new Coronavirus (2019 Novel Coronavirus or COVID-19) was first detected in China and is now spreading across the world, including New York State. This document is intended to provide the latest information that is available from ***government sources only*** in order to allow you to answer questions related to the latest developments regarding COVID-19.

For more information call the New York State Coronavirus Hotline at 1-888-364-3065.

Local Impact

Everyone is encouraged to stay in regular contact with State and local officials for the most up-to-date protocols and announcements on Coronavirus.

Telehealth Services

Telehealth services may be beneficial to individuals experiencing Coronavirus symptoms and are unsure what to do. Individuals are advised to check with their health insurance providers to see if telehealth services are available. Utilizing telehealth services can reduce ER visits and allow individuals to access the advice of health care professionals from the safety of their own home.

TOTAL NUMBER OF CASES STATEWIDE: 180,458

State News Updates

April 11, 2020

- **Governor Cuomo held a press conference at 11:30 AM and provided the following information:**
  - Curve is flattening as total hospitalizations is beginning to plateau.
    - Total new hospitalization three-day average is on the downward slope.
  - Total deaths is now 8,627, up from 7,844.
  - The Governor is saying there are no political conspiracies, all projected models had higher numbers that did not take into account the government action to flatten the curve.
  - Immediate actions need to take place:
    - More testing and advanced testing.
    - More preparedness.
    - Federal stimulus bill to help the states.
    - Repeal SALT to help the most affected areas.
  - New York State Court System will engage pro bono lawyers:
    - https://nysba.org/covidvolunteer.
  - Reopening is a public health question, and an economic question.
    - The Governor will not separate the two.
    - Before the decisions are made, New York will study information on reopening and a possible second wave of infections.

April 9, 2020

- **Governor Cuomo issued Executive Order 202.15. Highlights include:**
  - Allows pharmacies to conditionally receive drugs and medical supplies from an unlicensed pharmacy, wholesaler, or third-party logistics provider in another state to alleviate shortages.
  - Delays the April 1 requirement that parents must file transportation requests with their school district to obtain transportation for the following school year.
  - Permits funeral directors licensed and in good standing in any state or territory to practice in New York State without penalty related to lack of New York State licensure.
  - Allows an absentee ballot can be granted based on temporary illness and shall include the potential for contraction of COVID-19 virus for any election held on or before June 23, 2020.
  - Allows for electronic application, with no requirement for in-person signature or appearance, to be able to access an absentee ballot for any election held on or before June 23, 2020.
