

## Rainbow Class Home School web page: Legacy Document 1

A big shout out to all in the Rainbow class. Hope you are keeping well. We miss you all. Below are some activities you might enjoy.

Stay safe.

Kathleen.

### Easter Theme

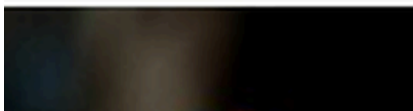

Literacy Activity - Mark making, painting and printing with carrots. Cut carrots up for printing, dip fully sized carrots in paint and practice mark marking or any other ideas you may have. See picture below for further ideas.

writing printing  
painting with

CARROTS

NurtureSt

Art - Easter egg printing with a potato masher ( see picture below )

P.E.

Bumble Bee Physio - Checkout Bumble Bee Physio's FaceBook page where they have daily live Physio sessions. Perfect for completing with your child. They also have adapted Joe Wick's PE sessions for our children, so well worth going to their page for daily movement activities.

Sensory play - Make some chocolate soap foam by simply mixing cocoa powder ( hot chocolate mix) and soap with a hand mixer. Mix it up until it's nice and bubbly. Add plastic Easter eggs or oval shapes for your child to explore or find in the soap foam. Practice scooping and filling the Easter eggs.

## Chocolate Soap Foam
