## Last Week's Run Report

**Location: Riverside Drive East Fremantle.**

**Hare(s); Mile High & Rusty Nuts**

\* The Blessing of the FEET\*

As this is a special event in the Freo Hash calendar, it must be noted that it coincided with the BLOOD - MOON event ( once in a lifetime ... ) WOW !

It was a momentous occasion AND, to mark it, there were TWO Hares ... YES ... TWO ! (well, could have been 3 but lets not digress ...)

A very good number of Hashers converged on the chosen spot, full of anticipation of good times, blue/blood moons (um ... not those ...) and total abandonment of all who enter here .... OOOPS ... sorry wrong .... Um ... super trail and (obviously ...) wet feet. !

We were not disappointed ! The Hares, Mile High & Rusty Nuts made sure that the walkers were fully cognisant of where the drink stop was, as the runners were not to be trusted ! The runners were criss-crossing (different to cross-dressing ...) trail and we could hear the horn from time to time ! "Follow Sir Fumbles" was the walkers catch-cry and we headed up hill and down dale ! Then - we all got to the special drink stop, full of sophistication, cocktail glasses, pink champers, gourmet beer, views & did I mention sophistication ! .... Absolutely loved it ... !

We had been forewarned that we needed to heed Hare #1 and follow the trail ALL the way back as he had managed with his dicky hip/knee/leg ! So on-home we stuck to the trail (well .... most of us !) and found cliffs, rocks, more cliffs, more rocks and of course water - so wet feet ! (if you wanted to avoid some cliffs/rocky outcrops it was in the drink ....Oh droll Pink Bits ...) returning to the start.

When the circle was called, we found a few tardy's & returnees ... long time no-see's & visitor from HOLLAND (not Germany ...phaff) There seemed to be many charges for dubious sins and as we had Nosh arriving, we adjourned to stuff ourselves with YUMMY Fish & Chips before re-convening for the Blessing !

The R A did a stirring job having us bless ourselves many times for big, small, sweet, smelly, lickable, slimy, cuddly,verruca infested,hairy and shaven feet ! If we looked like a CULT to passersby (and there were a few out to see the eclipse) it would not have been a surprise.... I mean ... we had Hashers in all sorts of attire including budge smugglers (cult follower most likely !) paddling in the river. The poor freaked out black swans were coming to take a look too !

However, for another year we are safe in the knowledge that our feet will carry us through the arduous task of Hashing safely !

On - On
