This form must be completed for all children under 19 years old and kept in the child's medical record or on file in the office. The form may be completed by the parent, guardian, or legal representative, or by the health care provider. Verification of responses is not required. This form should be completed only once, unless the child's insurance status changes. Please use the back of this form to document changes in status.

Check only one box below:

This child is eligible for immunizations through the federal VFC Program because he/she*:

- ☐ is enrolled in Medicaid (includes MassHealth and HMOs, etc., if enrolled through Medicaid)
- ☐ does not have health insurance
- ☐ is American Indian (Native American) or Alaska Native

This child is not VFC-eligible because he/she:

- ☐ has health insurance (that covers all recommended childhood and adolescent vaccinations) and is not American Indian (Native American) or Alaska Native

*This form identifies which children are eligible for vaccines through the federal Vaccines for Children (VFC) program. If one of the first three boxes in this section above is checked, the child is VFC-eligible.
