TESTIMONIALS:

"It has made the biggest difference in my life to have the guidance and support that Jeffrey has provided me in my quest to better myself professionally. My confidence has grown exponentially and I cannot thank him enough."

- Gemma Magnusson, Children's Hospital of Philadelphia

"Jeffrey spoke at our club on mentoring. His speech immediately engaged our members and we learned some key aspects of being a good mentor while being entertained and impressed by his wealth of knowledge. We were particularly impressed with his ability to recite notable quotes that supported his material. Our meeting felt energized that day and we can't wait to have him come back. Thanks again Jeffrey!"

- Dottie Colalillo, PPL Services, ISD - IT Business Solutions
