

DEAR GUESTS

We are doing all we can to make it as easy as possible for you to enjoy your time with us in the safest possible way. Obviously, we have had to implement some restrictions so please be patient with us. The key points for our customers to be familiar with are:

1. Payments to preferably be made by contactless payment where possible.
2. Your Host will take contact details of at least one of your group/bubble as part of Test & Trace requirements. This data is only used in the case of an associated COVID-19 risk and will be destroyed after 28 days.
3. Once at your table and seated your Host will explain how to get to the toilet, our ordering system, and any other restrictions that are in place.
4. There will be one toilet in operation. This is to ensure social distancing is adhered to and allows us to sanitise after each use.
5. I know we usually provide full table service where possible, but Table service ONLY is required please.
6. For those that wish to Smoke/Vape, please maintain a safe distance from others when entering & exiting and ensure to sanitise your hands on your return.

We are sorry that we have to be authoritarian as it goes against the community aspect of The Boudingait, but this is the new normal that we are all having to get used to for a while. We look forward to seeing as many of you all as possible but please remember our number one priority is safety.

Welcome Back!

TAKEAWAY

FOOD AND DRINKS
ALSO AVAILABLE FOR COLLECTION

(please note that alcoholic drinks must be purchased between 11am and 10pm only)

PLEASE ASK A MEMBER OF THE TEAM FOR MORE DETAILS & MENU
