## Dear Stepping Stone Families,

We continue to receive direct information from the CDC via the Early Care and Education Consortium. Our practices are in full compliance with all CDC requirements. The TX DFPS state licensing representatives continue to monitor all licensed early care and education facilities to ensure that all health, cleanliness, safety, and state licensing regulations are being followed. Temperature readings of the children and our teachers are being conducted with gloves and alcohol wiping between use. As new information or safety procedures arise, we will be sure to notify you as soon as possible on Remind 101.

Thank you to all our wonderful families who have sent emails to let us know how much you appreciate Stepping Stone School remaining open to provide services to your children. Our school and teachers are here to serve our community and will continue to do so as long as we can.

In celebration of children and their families,

**Camille Brown**, Owner and Executive Director

**Monica Lary**, Director

**Valerie Roberson**, Assistant Director and School Age Care Coordinator

**Tiffany Newberry**, Cafeteria and Transportation Manager
