Deeper & Conscious Connections

We are delighted to share with you many opportunities to connect more fully with Nature and the Cosmos. We at ONE-TLC have planned seven dates throughout the year in which we can gather in Community to Share, Express, and Expand more of Who we Are. Plus 'Going Beyond' monthly meetings. (See Pg.2)

'Aligning with Mother Earth and the Cosmos'

It takes willingness to go beyond what we understand, as our Human Self and Divine Self, to provide the space for new form and realities to exist.

The dates in which we can align more fully with our Human and Divine Aspects, and partner with Mother Earth and the Cosmos, may be greatest during the time of the equinoxes and solstices. Therefore, we have chosen the dates March 17th, June 23rd, September 22nd, & December 22nd for this reason.

We will also include the dates of April 22nd for Earth Day, July 25th in Celebration of the Day out of Time, and October 27th in Celebration of the first Medicine Wheel Ceremony performed here by Lucie Barnett in 2011.

Most of these dates fall on Saturday (except for April 22nd (Sunday) and July 25th (Wednesday)), and were chosen so that ALL will have an opportunity to participate.

Currently we are in the planning stage with Sheryl Sitts www.journeyofpossibilities.com to host a gathering in celebration of the 30th Anniversary of the Harmonic Convergence on August 11th (Saturday).

We invite you to join us in these opportunities to Celebrate together. Also we invite your ideas and participation in co-creation of the events. Please see www.thecarmineconnection.com/EVENTS.html for more details.

Message of the Month

The following was channeled by David
at a ONE-TLC Board Meeting on March 2, 2014:

Re-Connecting

We are foreigners, sojourners here. Mother Earth/Gaia is the host and we are all guests. Therefore it might behoove us all... like at any social gathering or communal living to recognize, honor, and respect the gifts and talents of all species. What if your evolutionary path followed the orders of mineral, vegetable, and animal and you progressed spiritually through each of those individual types of rocks, plants, and animals for a complete experiential understanding of all that is? Could your perceived state of understanding or lack thereof... wipe out any one of those genetic links of species? Would you have cut off your life to ancestral new birth?
