A NEWSLETTER of End-Time Intercessory Prayer Ministry

"In all the work you are given, do the best you can. Work as though you are working for the Lord, not any earthly master. Remember that you will receive your reward from the Lord, who will give you what he promised his people. Yes, you are serving Christ. He is your real Master." Col 3:23-24 (ERV)

Welcome to the New Face of ETIPM Website!

2007-2015

After five years of extensive traffic and use, our old website was taken down on July 15th and the new website was launched immediately thereafter. The new website features most of the contents of the old website with a few new tweaks. Some of the added features worth mentioning are the dedicated pages such as the appeal page for new intercessors to "Join Our Prayer Team". The page labeled "Members Only" which takes away our concerns for privacy by giving access only to those who are currently serving on the ministry or those who have been supplied an id and passcode. We have also added an Archives page for active members where previously used files will be stored for future use. Last but

not least, we cannot overlook the "Suggestion Box" Page which is a discrete and direct way to drop your suggestions, share your ideas, reinforce what you feel is working and even give God praise for His doings among us. The user id and passcode that have been provided in the July 7 email can be used for all those three pages.

Finally, ETIPM now has a dedicated phone number where people can call in directly their prayer requests. That number will be posted on the website for those who need prayer immediately.

Remember to share the link of this website with your friends and family as you get the opportunity to do so via social media or even directly.

God is greatly to be PRAISED!

New Session Format & A Four-Month Commitment

Effective May 1, ETIPM introduced new sessions format for the 5:00am session. You can see the full details on the Members' page. The 5:00 am session is now shared with at least one other intercessor who is introduced during the second half of the session to pray over the On-Going prayers and the Incoming

prayer requests. The morning session now ends by 6:30am or as led by the Holy Ghost.

ETIPM has also recently introduced a "Four-Month Commitment" whereby current and new intercessors now have the option of rotating their schedule at each new rotation as needed or as led by the Holy Ghost to

serve on different days and hours. This is also a great opportunity to open sessions that we currently might not offer for topics that are of great concerns. Be sure to address it up early enough so it can be added for the next rotation in a timely fashion.

Thank you to all those who are serving one way or the other!

What's New at ETIPM?

Hello Sir / Madam, I have an emergency and I understand that you are an Intercessor before God, would you please PRAY for me NOW?

ETIPM now has a dedicated phone line mainly for our English speaking website visitors from all over the world who may have an "URGENT" prayer requests that just cannot wait to be sent electronically and added to the prayer list. The number should be easy enough to remember as it spells the word "**PRAY'D-4-U-559**" which is translated into the number **(772) 934-8559**. In order to share the load of

incoming calls, we will establish a daily or weekly schedule where each person will have the opportunity to receive those calls in order to intercede for those dear ones looking for help through prayer. Some could volunteer a block of times or a whole day to be available for those incoming calls. Those who are able to take the late night or early morning calls can serve in the different time zones. I foresee

that some days might be quiet while others might be quite busy. Time will tell and we will adjust accordingly.

We thank God for yet another opportunity to serve Him through others! We also "THANK GOD" for those who continue to allow Him to use them to bless others by standing in the gap for them! Through your faith they will know that they have the victory, in Jesus' Name!

To God be all the glory!

The Thirst That Cannot Be Quenched!

Prophetess/Pastor C. Yvonne Johnson
Brampton, Ontario

Those who have been with ETIPM know without a doubt that Pastor Claudia Johnson is a strong prayer warrior, a prophetess of God, a good leader and a beautiful person altogether. The anointing that is upon that lady is extraordinary, yet, she still wants more of her Lord!

To be truthful, that's a beautiful place for the child of God to always want to be. More of you Lord! Let each of us take

on that challenge and ask the Lord to also give us that deep yearning, that deep hunger for more of Him. That is truly the heart that the Father seeks after, those whose affection, love and devotion are pure, unadulterated; those who will do anything to be at His feet. Let's all join Prophetess Johnson in that quest for more of the Lord!

Pastor Johnson just released her first book "**Prayer Blast -**

Edition One-August 2014." This book has been a blessing to our prayer ministry. Please secure your copy today or get a special discount when you purchase more than one copy from Amazon.com, Barnes & Noble, etc.

Prophetess Johnson is currently ministering on Tuesdays at our noon session. Please make time to join her and I know you won't be disappointed.

ETIPM Welcomes Prophetess Marilyn Hester

Prophetess Marilyn Hester
Lansing, MI

God has miraculously connected us with a powerful woman of God who not only loves God's people, but she also enjoys to pray. Prophetess Marilyn Hester, from Lansing, Michigan is a very powerful prayer warrior who truly understands the mandate of Christ Jesus to the Body of Christ pertaining to His Kingdom. Prophetess Hester has willingly offered to cover several sessions that became vacant due to the new

rotation. She is now covering some evening sessions as well as the second and fourth Sundays 5:00am sessions. We are very humbled and grateful at the many gifts that God has sent in our midst, even if they are here for a season.

Prophetess Marilyn and her husband Harold Hester currently pastor two churches in Michigan. She is a wife, a mother of two and a young grand-mother.

Also, she is currently leading a tele-conference prayer that starts as early as 4:00am, and depending on the anointing of the day, the session can last several hours. Among many other qualities Prophetess Hester loves to seek ways to cooperate with God's program and truly portrays a servant's heart. She is extremely flexible, reliable and means business for her Lord.

We bless the Lord for her!

THE BENEFITS OF A CHRISTIAN'S "FALL SEASON"

Pruning mainly takes place in the fall. It is an important process that all good farmers know will promote stability, strength and growth just as the

Lord Jesus said in John 15:2 "Every branch in Me that beareth not fruit He [the Father] taketh away: and every branch that beareth fruit, He purgeth it, that it may bring forth more fruit."

The pruning that takes place in our lives by the loving hands of our Heavenly Father, such as what is done to a tree by the rings around the trunk, reveals that just like the tree, we have gone through a period of successful growth. It endured the

adversity of weather and environmental conditions and survived it all. The beauty of our relationship with God should reveal growth through our willingness to submit to the pruning process of God's loving hands. As we speak His Word in prayer or whenever we give testimonies under trials and periods of testing, He matures us by cutting away more and more of this world from us. The abundance of His Grace as well as our accepting the gift of His Righteousness will allow us to carry

these mortal bodies wherever He leads us and then we will give Him the glory and praise with great thanksgiving that we survived yet another year and to experience that all over again.

Are you ready for an unprecedented growth? Are you willing to allow Him to do what He must for that growth to take place? **What will you pray about that YOU need Him to prune away this Fall Season? Are you ready to endure the process? LET'S DO IT!**

FOOD For Thought!

Bible healing foods are here for our picking.

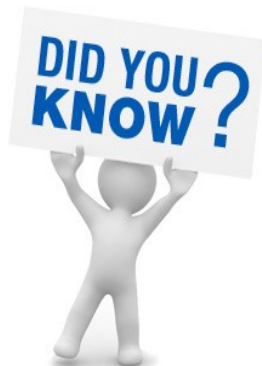

Take apples, for example: the healing quality of apples has deep roots in biblical traditions. You have heard that "an apple a day keeps the doctor away," an apple also has the ability to dampen your appetite and aid in weight control. They

are low in calories and fats. You can find creative ways to preserve and store your apple so it can be enjoyed palatably all year-round. They are also good in juicing with other live foods.

Try it and keep your core small!

Our Vision Statement

As an end-time Prayer Ministry, our mandate is to pray the will of the Father on the earth, as revealed through Prophetic Insight and Foresight.

Our Mission Statement

Our objective is to build an army of effective, fervent Intercessors, Prayer Warriors and Watchmen. By using in-dept Biblical Teachings and Principles as well as relevant Vocational Training, our goal is to equip and empower them to discover and enhance their divine calling and propel them into fulfilling their God-ordained purpose and destiny.

MY PRAYER OF FAITH:

Father, I thank you for your Word and pray according to Mark 11:22-26 :

" And Jesus answering saith unto them, Have faith in God. For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them. And when ye stand praying, forgive, if ye have ought against any: that your Father also which is in heaven may forgive you your trespasses."

So I deliberately choose to immediately forgive anyone that has offended me and by faith I seek your forgiveness for them and myself, in Jesus Mighty Name! Amen!
