With things changing daily in the world around us, we will communicate to you when we have more information on an alternative event.

THANK YOU to all who donated toward our event! And thank you to those that donated your ticket price to our matching funds.

You are a blessing!

Being like Christ to Others

Being like Christ to others means that we love like Christ and are led by His Spirit to say and do things that He would say or do.

Some of our students have been like Christ to their neighbors.

Students assembled Easter gifts for friends and neighbors. They put their homemade art, treats and cards in the gifts.

Students created a heartwarming driveway art using chalk for their neighbors.

Other students have sewn masks to help medical workers and many more loving things. What are you doing to be like Christ to others? Tell us by sending your information and pictures to info@christlutheralschool.org and we will post on Facebook!

Ephesians 5:1-2 Therefore be imitators of God, as beloved children. And walk in love, as Christ loved us and gave himself up for us, a fragrant offering and sacrifice to God.

Earth Day Clean Up
