

BUILDING & TRADE INDUSTRY TRAINING

Respectful Workplace Relationships

Because safe and supportive workplace cultures shouldn't be difficult.

Respect at Work is delivering
State-wide Respectful Workplace Relationship
sessions that are specifically tailored for
apprentices, certified tradespeople and all staff working in the
Tasmanian Building & Trade industry.

BUILDING & TRADE INDUSTRY TRAINING

Respectful Workplace Relationships

2 hours duration

During the 2 hour session we will discuss and workshop these topics:

- * What is (and isn't) a respectful workplace?
- * Working within a culture of gossip, inappropriate behaviour and strong personalities
- * Cultural self, unconscious bias and why it matters
- * Where is the line? - behaviours at work
- * Bullying and harassment in the building & trade industries
- * Contributing to and achieving a mentally safe workplace
- * Rights, responsibilities and duty of care

Continuous Professional Development

Attendance at Respect at Work training has been approved by CBOS for 1 CPD point.
