## Kegel Balls Tighten Vagina \$4,500

1. Add Lubricant
2. Lie down on your back and relax your PFM muscles, insert into your vagina.
3. Tighten your PFM muscles to keep the weight in place, and slowly try to stand up, and go about your business. Clean the ball thoroughly before and after use.

The Kegel Balls feature a hollow design with inner metal balls, which create a slight vibration, colliding with the surface of the kegal ball when you walk, run, or swim. The vibration stimulates your PMC muscle and helps it to shrink and tighten around your Kegal Balls so that the balls won't slip out. That is how the kegeal balls exercise your vagina.

# Powerful AV Magic Wand Vibrator \$5,500

**Waterproof for Using  
in Shower**

**Mode:** There are 12 vibration settings in total.

**How to use:** There are three buttons and a LED display, long press the power button for 3-5 seconds to turn on / off, short press another two buttons to change the vibration speed.
