## **Contractor Application**

We require all contractors to sign a lien waiver. Do you agree to that:
How do you handle change orders and issues that arise during the job:
If you are the General Contractor, how often will you be on the job site:
How often do you and your crew take breaks and how long is lunch:
We like to run a smoke free work environment outside of breaks and lunch. Would you or your crew have issues with that:
If yes, why:
Some houses we buy we have tighter timelines then others. Are you and your crew able to work quickly and efficiently and still maintain top quality work:
What kind of working schedule do you and your crew maintain during a normal week? That is: What time do you start and leave for the day: Do you work weekends: If we are behind schedule, do you work over to catch up:
Where do you store your tools at the end of the workday:
What steps do you take to ensure that my property and materials are secure at all times:
Have you ever been fired from a job or quit a job before finishing: If so, why and when did this occur:
