

Stepping Stone School News

From the Director...

This year is flying by and I can't believe that it's April!!! We have had a fairly mild winter and are ready for spring! Please remember that children will go outside twice per day, weather permitting.. Please be sure to dress children appropriately! Toes should be in enclosed footwear and shorts should be under little dresses! Also, it is still chilly some mornings so make sure your little one brings a jacket. Spring time often brings allergies, a few tips to help with allergies: Clean, Clean, Clean!!! Rugs, linens, and bedding should be washed at least 1x per week... Shower nightly before bed helps to remove pollen and allergens from your hair and body. Keep windows and doors closed, and change air filters often. Here's to a Wonderful Spring!! Putting Families First! -Ms. Monica Director
