IT TAKES A TEAM!

There was a great turn-out at the Southampton Town Republican Committee Campaign Kick-Off Fundraiser Event held on April 15 at Edgewater Restaurant in Hampton Bays. Chairman David Betts and Congressman Lee Zeldin inspired all to work together as a team towards Election Day Nov 5 to get our Good Government message out to the voters. Thank you to all who turned out to support the 2019 Republican Ticket, including Southampton Town Conservative Chairman Robert Macedonio. *For more event photos, see Southampton Town GOP Facebook Page and [YouTube Video](#).*
