Building Owner's Signature (Must match name on first line.) *If name on first line is a company name, the company owner or an individual authorized by the company owner must sign this line.*

**Registration Steps:**

- Using the Photo Diagram on the back of this registration card, take the required photos of the completed building from the angles shown.

**ATTENTION:** Digital photos are preferred. Burn photo files to a CD/DVD and send disc, or send all photos to [trusswarranty@esapco.com](mailto:trusswarranty@esapco.com). Please include customer number and order number with e-mail photos. (Disc and printed photos become the property of ESAPCO and will not be returned.) **NO DISPOSABLE CAMERAS!** Disposable cameras will not be accepted or returned. If sent, you will be asked to retake all photos to fulfill the registration process. *If you send printed photos, minimum dimensions are 3" x 5" (4" x 6" preferred).*

- Complete the registration card (above).
- Sign the completed card. *Signature must match the printed Building Owner name on the first line. Do not leave any lines blank.*
- Insert the completed registration card and photos into the return envelope.
- Apply the correct postage and send. All "postage due" submissions will be rejected and will delay the registration process.
- Once all materials are received, reviewed, and approved, a Certificate of Warranty will be sent to the address on the registration card. (After all materials are approved, please allow 6-8 weeks for warranty processing.)
