

ROAM Dance School Fees

Hours Per Week

Please note, even though classes have been reduced by 15 minutes due to COVID, there will not be a reduction in fees. Monthly fees are worked out based on our normal class times. Classes will all go back to up their full time duration as soon as guidelines ease.

All fees will be sent out on **1st September**, and will be due within 7 days. Any payments received after midnight on the seventh day will incur a £5 late charge. The £5 charge will be repeated and accumulated per week that fees are paid late.

Please note refunds are not offered due to sickness, not being able to attend class for any reason or covid-19.

Due to our dance school expanding and adding on new classes, we have had to make a slight change to fees. Fees are now worked out based on how many hours that you do at ROAM.
