Words post a couple's 25th Wedding Anniversary - Hertfordshire!

We would both like to thank Eve Bishop very much for a great performance at our 25th wedding anniversary party. Her playing was very well received - lots of people said how much they had enjoyed it, and Eve was very pleasant and professional throughout. Live music creates a completely different atmosphere and her music contributed to a really special evening for everyone. Thank you again. Best wishes, *Heather Bedell*

From a friend website visitor! Dear Eve, I have had the opportunity to listen to your recordings available on your website and have found them very enjoyable. I particularly like the way you bring your own interpretation to well-known tunes whilst still embracing the overall theme. Your own soft and melodic interpretation of music would appeal to a wide range of musical tastes. I have no hesitation in commending your musical playing and interpretive style to those who appreciate piano playing at its best, and especially within the business audience you currently target. Sincere regards, *Colin Isard BSc (Hons), MBPS, MA, BSc (Hons), PGCert, MSc, MSc, MA*.

Dear Eve, I would like to take the opportunity to say how much I enjoyed listening to your selection of music. I found it enjoyable and in my opinion professionally played. Which I was not surprised by due to your obvious passion and enthusiasm you have for playing. Your repertoire of songs will be suitable for many occasions and I would not hesitate to recommend you to any friends looking for this type of entertainment. Kind Regards, *Ian Dore*
