Noella is the supervisor at Steffie Kidz Club and has been with us since the fall of 2017. Noella has worked really hard over the past months to adapt to her position of supervisor.

She has taken initiative to take extra training and courses so that she can increase her knowledge and skills within the childcare field. Noella is consistently on top of her paper work and goes above and beyond for the program and children. Noella loves to have creative and messy crafts available for the children and puts a lot of work into ensuring the children can express themselves and have fun. Noella shows passion and sincere interest in Kidz Club and we really appreciate the efforts that she has put into her role as supervisor within Kidz Club. Thank you Noella for your hard work and commitment to the program.
