Sharon Potts Physical Therapy

Privacy	Pol	licy
---------	-----	------

Information gathered during the course of therapy is confidential. In the course of treatment, information is documented in regard to symptoms, test results, current medications, past medical history, etc. This information gathering is necessary for accurate evaluation and documentation of your care. This information will be kept on file here at my office and in my electronic medical record site at WebPT. You may request a copy of this information to have for your own reference and for reimbursement purposes. Under the following circumstances this information may be shared in written or verbal form

- -with your doctors, nurses or physician's assistants to discuss your treatment and condition
- -with your insurance company's representative, if necessary
- -with your spouse unless your request against this sharing
- -with your parents if you are under 18 years of age
- -with my billing site, Kareo for purposes of reimbursement
- -with my WebPT, my EMR site

If you have any specific requests in regard to your information, please indicate in the space here
I,have read the above policy and
acknowledge that information in regard to my health, medical care, diagnosis, work and personal habits,
etc. Will likely be gathered and maintained in this medical file. I accept the above policy and the
gathering of the information that it may aide in the optimal treatment for my condition.
