NY Times: U.S. Strike in Iraq Kills Qassim Suleimani, Commander of Iranian Forces

Suleimani was planning attacks on Americans across the region, leading to airstrike in Baghdad, the Pentagon said. Iran calls for vengeance.

REBUTTAL BY

The Anti-New York Times

Let's all just settle down and relax, boys & girls. Contrary to the howls and whines emanating from both the Globalist & Zionist quarters of the PRC (*Predatory Ruling Class*) – we are not – as the Mossad Drudge Report is blaring across the top of its page – on the brink of World War III -- though that is exactly what (((they))) had intended to kick off with their pathetic little stunt in Baghdad.

Left: A “spontaneous” mob storms U.S. embassy in Iraq. // Right: Trump allegedly kills ~~Sean Connery~~, er, Qassem Soleimani as retaliation.

So, what's really happening? Here's the chronological recap of events of the past week:

1. Investigations into the criminal activities of high-level DC swamp-dwellers and even Soros himself reached a new level of seriousness. The Deep Staters became very nervous.
2. An American contractor is killed in a rocket attack. The culprits? “Iranian-backed terrorists” (*code name for CIA-Mossad operatives*).
3. Trump responds by harmlessly bombing three of the sites belonging to pro-Iranian militia falsely accused on the rocket attack.
4. A thousand or so CIA-Mossad terrorists march on U.S. embassy in Iraq, imprisoning the diplomats inside in an attempt to trap Trump into a crisis.

5. The U.S. reacts very quickly. The controlled mob withdraws after committing vandalism.
6. Trump “retaliates” by ordering “missile strike” that allegedly (*factiously*) kills an Iranian big shot.
7. Iran (*which is still in back-channel communication with Trump’s people*) huffs & puffs and counter-threatens.
8. Trump huffs & puffs right back as FOXtard warriors cheer and the libtards jeer.
9. After a few days, the tempest will pass – as all hopes for the newest war which (((they))) tried to drag us into fade away.

Left: Trump’s usual game of deactivation by empty threats of war. // Center: Even the Supreme Leader gets in on the act by posing next to life-size portrait of the fallen military leader. // Right: The Bidens and others catch a diversionary breather – but not for long.

It’s a familiar bluff which Trump has played on his warmongering Deep State adversaries time and time and time again (*Syria, North Korea, Russia, Venezuela*). By positioning himself as the warmonger, he is able to redirect the sound & fury while secretly waging peace.

Relax, youse guys, relax. To paraphrase that evil cripple son-of-a-bitch **Franklin Demono Rosenfeld**: The ANYT has said it before and shall say it again and again – the U.S. will not be going to any foreign war – at least not while Trump is Commander-in-Chief.

Maduro (VZ) -- Lil' Kim (NK) – Putin (RU) – Assad (SYR)

At one time or another, Trump has threatened or insulted all of these “villains” for the strategic purpose of outmaneuvering the warmongering Globo-Zionist Axis of eternal war. This latest move regarding Iran is just more of the same.

Boobus Americanus 1: I read in today's New York Times that Trump's over-reaction in Iraq could lead to a new war in the region.

Boobus Americanus 2: That man scares me!

St. Sugar: Boobuss you pusssy! Had Killary been elected in 2016, we'd already be at war with Russssia, China and Iran!

Editor: And, as of 01/01/2020, we'd also be using \$20 bills with Aunt Jemima's mug on them! (Harriet Tubman)
