

BIBLE STUDY LESSON

APRIL 8, 2020

From the humanistic position, you might declare that we are in a tough time period in our lives. But I submit to each of us that God is a winner, and He doesn't allow anything that cannot be defeated. What looks unconquerable in our eyes can be defeated as long as we believe in the one who has kept us. We were not asked to seek the kingdom just for exercise but to show our faith in the one who is the kingdom. We became saved so that we can demonstrate that we believe that Jesus conquered death. So that which appears to try and take us out can be defeated.

This lesson will help us reflect on ways God has stepped in and demonstrated His power in all that we have encountered. We may give credit to a lot of things, but all the honor belongs to God.

- Our first exercise in today's lesson is to reflect on what our testimony is all about.
 1. What has God taught me from failure?
 2. What has God taught me from a lack of money?
 3. What has God taught me from pain or sorrow or depression?
 4. What has God taught me through waiting?
 5. What has God taught me through illness?
 6. What has God taught me from disappointment?

YOUR LIFE MESSAGE INCLUDES SHARING YOUR GODLY PASSIONS.
WHAT DO YOU FEEL IS THE PASSION THAT GOD HAS INPUTED INTO YOUR HEART?

- What is your definition of passion?
- What is the difference between human passion and Godly passion?

Read Psalms 69:9 and Jeremiah 20:9

- What are your thoughts or messages that you receive from the two passages of scripture?
- Why do you feel God gives us so many different passions?

Let's read Matthew 25:33-46

- Explain how this passage relates to passions from God.
- Please write down and be ready to share.
