

COVID-19 Childcare Guideline for Lillie's Quest Camp

Childcare Guideline for Lillie's Quest Camp (LQC) & Greater Outreach Ministry (G.W.O.M.)

Child care centers and family child care homes are considered an essential business and have the option to remain open and provide a needed service for essential personnel. All facilities that remain open must agree to follow the Interim Coronavirus Disease 2019 (COVID-19) Guidance for Child Care Settings and meet the additional operational expectations. Anyone showing signs of illness of any kind or who may have been exposed to COVID-19 should not be in the child care facility.

Drop-off/Arrival Procedure:

☐ Before arrival: parents must be alert for any symptoms of COVID-19 and to keep the child(ren) home if showing any signs of illness.		
☐ If possible, the same parent or designated person should drop off and pick up the child every day. Avoid designating those considered at high risk such as elderly grandparents who are over 65 years of age.		
\Box Parents will have staggering arrival and drop off times and/or plan to limit direct contact with parents as much as possible.		
CAMP ENTRY PROCEDURES		
☐ Hand hygiene stations will be set up at the entrance of the facility, so that staff, children and parents can clean their hands before they enter. Parents must wear mask at all times. We will provide hand sanitizer & sanitizing wipes with at least 60 percent alcohol. Staff will supervisor hand sanitizer for all children. We can prevent virus that causes COVID-19 from entering the building by sanitizing the entrance areas three times a day or when new individuals enter.		
\square A staff member will greet children outside as they arrive.		
\square Staff will take temperature of child(ren) and parent twice and log each reading.		
\square Children will wash hands at washing station with antibacterial soap.		
☐ Children will remove shoes and outside clothing and place them inside a plastic bag to be Sanitized. Clothing is kept in secured entrance hallway outside camp area from other children.		
☐ Children will change into their sanitized camp shirt, shorts and socks.		

☐ Children m sanitized.	ust wear a mask when entering camp area with other children until mouth is
brush teeth a 30-60 seconds brushing of th	ill at this point be allowed to enter camp area and enter into the restroom to nd wash mouth with anti-bacteria mouth wash. Must hold mouth wash in mout and hands will be sanitized again before leaving restroom. Only after the se child's teeth and rinsing of mouth are children allowed to remove the mask disinfected and put into their personally marked bag.
	HOW ARE FEVERS DETERMINED
0	A Designate staff person will walk children into campsite, and at the end of the day, walk them back to their cars.
0	If your child has Symptoms of COVID-19 • fever* • cough • shortness of breath While symptoms in children are similar to adults, children may have milder symptoms. Reported symptoms in children include cold-like symptoms, such as fever, runny nose, and cough. Sore throat, headache, vomiting and diarrhea are less commonly reported. Children who fall sick at the camp are separated from other children until their parents can pick them up. Children cannot return to camp until 14 days.
such a	r is determined by a thermometer reading 100.4 or higher or by subjective signs s flushed cheeks, fatigue, extreme fussiness, chills, shivering, sweating, achiness, che, not eating or drinking.
	ve Posted DCDEE door sign for child care facilities at all entrances to the facility. lable in English and Spanish.
-	en and staff are allowed in the building for daily operations and ratio inside the classrooms. Parents will not be allowed in the campsite area.
☐ Follow soci	al distancing strategies.
	nduct a daily health screening on all individuals not a part of the camp who are building. Unless it is an emergency no outside person is allow where staff and resent.
o Mus o Mus	Temperatures t wear a mask t sanitize hands or wear rubber gloves t enter in front of building on 2 nd floor level away from camp-site

☐ Follow proper hand hygiene guidance for adults and children such as washing hands frequently with soap and water for at least 20 seconds (about as long as it takes to sing "Happy Birthday" twice).

In addition to usual handwashing, make sure to wash hands:

- upon arrival in classroom in the morning
- before and after eating meals and snacks
- after blowing noses, coughing, or sneezing or when in contact with body fluids
- after toileting or changing.

What Else Is Expected of Parents

Parents to help us with the spread of disease it is mandatory for you to provide cleaning supplies to keep our camp safe.

Please Bring The Following:

- 2 can Lysol Disinfecting Spray
- 1 Alcohol
- 1 soap antibacterial
- 4 Mask for your child
- 2 Sets of new clothing (2 Shirts, 2 pair black socks, 2 pair shorts, 1 toothbrush & Large mouth wash) kept at camp Camp will provide bag for clothing
- 1 Large Anti-Bacterial Mouth Wash with tooth brush and paste

To keep the staff, children, and the community safe, please do not enter the building if:
