Attendance: 200+

Markham is a beautiful urban city just north of Toronto. We offer the ideal blend of modern design while respecting and honouring our past by preserving our heritage resources and historic areas. Markham has responded to both rapid change and development pressures over the last three decades by adopting policies, bylaws and programs to preserve much of the historic fabric of our community.

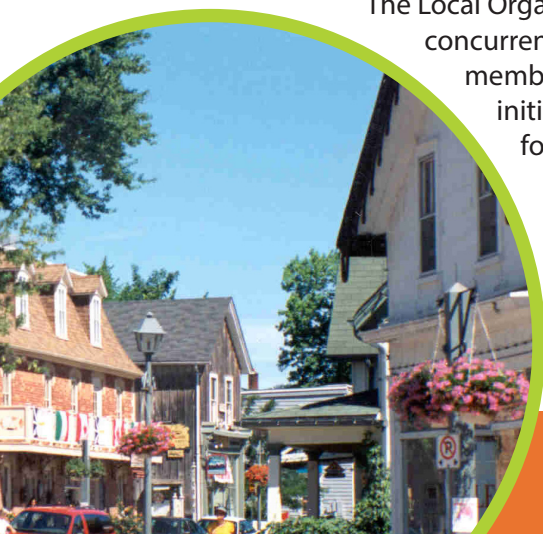

Markham is excited to be the host of the **2020 Ontario Heritage Conference** which brings together those who are working in both a voluntary and professional capacity to preserve and protect the cultural heritage resources of our Province. The conference will include local tours, panel discussions, keynote speakers and a gala dinner at Angus Glen Golf Club.

This will be the first time the conference will be held in the GTA since 2004 allowing easy access within a two-hour drive from **over 65 municipalities**.

The Local Organizing Committee is busy developing the program with three streams of concurrent sessions – one that will be of interest to municipal heritage committee members/municipal planning staff; one that highlights heritage conservation initiatives and advocacy in general; and one that is geared to heritage professionals focusing on their projects or skills.

We are planning a trade show that will allow exhibitors to showcase their heritage-related skills, projects and products.

There are many exhibitor opportunities.

Trade Show – Heritage Exhibitors

Being an exhibitor at the Conference in Markham offers a unique opportunity to enhance your business, showcase your heritage services and products, and meet face-to-face with our attendees. The Trade Show will be located in the dining area where all refreshment breaks and lunches will be held to allow you maximum exposure and networking.

For a \$500 fee, your Exhibitor Benefits include:

Showcasing your company for two days at
Ontario's largest heritage conference

Trade Show table & chairs
