

Norman Nester – Class of 1954

I lived at 7015 Indiana near Knotts while attending Southeast High School. I moved away after 11th grade. My sister-in-law Lucy (Biurvall) Clarke graduated in 1956 and my cousin Virginia (Nester) Maras graduated in 1958.

Southeast Memories

My most memorable teachers were Mr. Harmon and Mr. Cross, but my most vivid memory of Southeast is the afternoon we cut school. The whole school was let out because of smoke in the building, so we didn't get caught.

I participated in football and track. There was a lot going on at the time, and just too many to recall. I spent my time away from school working part time in a furniture store.

After Graduation

After graduation, I got married in 1955 to Sandra Biurvall (SE '54). She passed away March 2013.

I went back to school to earn my bachelor's degree in 1958, my master's in 1964 and I received my PhD in 1974. I spent most of my life as an educational psychologist.

My message to other alumni would be to "enjoy life and family."
