OFFICIAL GREETINGS

From the President's Desk

National President, Mother Bonnie Jean McPeak

BUSINESS AND PROFESSIONAL WOMEN'S FEDERATION CHURCH OF GOD IN CHRIST

Our Creed: We Care- We Share- We Help

Greetings in the Name of our Lord and Savior Jesus Christ:

We are thankful for the loyal women in the Business & Professional Women's Federation who serve in their homes, churches, and communities. I consider it a privilege and honor to serve the B&PWF as the National President. November 2020 will mark my second year as the National President of this great organization! We are a ministry in the IDOW under the leadership of our visionary General Supervisor, Mother Barbara McCoo-Lewis. We serve with gladness.

I am happy to report we have increased the number of chapter presidents all over the United States. We also have a chapter president in Zambia, Africa. We have grown in membership. This increase is due to the efforts made to promote the B&PWF in your jurisdiction and local churches. Special thanks to our membership committee and chapter presidents. For this, we give God the glory!

In the first quarter of this year, our country was attacked and still suffers by the Coronavirus crisis. It has claimed many lives including some of our highest ranking leaders and parishioners of the Church of God in Christ. The concern with the spread of this deadly virus prompted our Presiding Bishop Charles E. Blake, Sr. to cancel and postpone four national meetings including the 2020 Women International Convention of The Church of God in Christ. Bishop Blake and Mother McCoo-Lewis have faced this pandemic with continual and fervent prayer vigils and promotion of safety practices.

We will adhere to the "Call to Action" in our prayer life and devotion: praying for one another, wear your face mask, practice safe distancing, washing and sanitizing hands, and don't leave your home unless for emergencies or essential needs. Let us continue to pray for our Presiding Bishop and General Supervisor that God will strengthen them to lead our church through these perilous times.

Remember, ***"This too shall pass!"*** We can do all things through Christ who strengthen us.

Psalm 46^a

For the director of music. Of the Sons of Korah. According to alamoth.^b A song.

- ¹ God is our refuge and strength,
an ever-present help in trouble.
- ² Therefore we will not fear, though the earth give way

WORDS OF INSPIRATION

By Poet Rekiesha Nevels,

Rekiesha Nevels

In 2019, Chairman Dr. Wanda Street and the Southern California First Jurisdiction's Chapter focused on "Engaging Young Professionals" along with the "Seasoned Wise Women" Professionals during our Annual Day.

One Young Professional, Ms. Rekeisha Nevels, wrote and delivered this poem. It touched everyone deeply with its powerful sentiment. She has performed it several times including during our State Convocation.

Father God I don't see, hear,
or feel You at all
It feels like You picked me up
just to leave me and watch me fall.
Fall deep into depression,
deep into confusion and solitude
I understand I'm being renewed Father,
but sheesh to this magnitude?

Stripping me from everyone
and everything I know
With no warning or planning,
I had to get up and go?

At first ... You showed up on the scene
with magnificent joy, love and power,
I fell in love with Your presence!
But after a while,
You vanished and left me feeling unpleasant.
I want You back Lord!

Where'd You go?
You said if I trust in You
and turn from my wicked ways
You'd be with me every step here below.

But I'm now being told things like,
*"Just hold on to God's hand another day,
He will do everything He's said
and continues to say."*

*"In due time, you'll come out as gold
and a huge testament." ...*

I'm hearing and receiving it all,
but all I'm wanting is an estimate

An estimate to when this season will be over,
when will my God show up again?

These promises You've given me,

Lord when will they begin?

When will my smile come
and replace this horrible grin?

I started following You with obedience
and left all my sin

Was it worth it?

Having to leave everything
I could see and touch behind
And start following You
like I'm physically blind

Faith ... is what I'm being told it's called
And the more I hear that word
the more I'm appalled!

My thoughts and moods are running wild
wondering what You're up too

I don't wanna hear or see nobody else
right now but You!

The pain is so heavy on the surface ...
I understand You're transforming me
from my old person
But ever since I've turned from the world
it seems my life has worsened

And every inch of my soul
is wondering what's the purpose?
Cus following You right now Lord,
Seems like the biggest burden I've purchased.

When I said clear my mind and soul,
give me a fresh start
Renew in me a clean heart,
I don't ever want us to be apart

I didn't know it'll hurt this bad,
I'd be so sad,
On top of confused and mad.

This pain is excruciating Lord,
please make it stop
I wanna be used by You Lord,
But not if this process
is a part of Your Workshop!

It hurts Lord! It hurts!

The feeling of You making me pure
and getting rid of all the unclean habits and dirt,
Feels like I was shoved
in a spiritual washing machine
with no pants or shirt
But somehow You're promising
I'll come out unhurt

Lord, I know through Your divine eyes
this season is to help me grow
But with my natural lens and feelings,
to me it's a huge blow.

It's like You lured me in with
a taste of Your goodness and hope
Knowing if I saw You were real for myself,
Ain't no way I'm turning back, nope
Unless of course through memories
using a mental telescope.

I got no choice
but to follow You and trust.
And yes I must admit knowing
You're doing a good work in me,
It's better than being in hostage
as the devils holding me ... I'd rather be free

And now that I've made it
on the other side
oh Lord how I see!
What You were doing all along
on the inside of me.

How You've taken the pain and tears
and transformed the hurt into joy and glee
From a lost soul on this earth
to a workman used for Your glory.

I can't wait to tell the world
how You took me through the fire
to walk me out as brand new,
How it was necessary to build my faith,
patience, and hope in you

You've turned my worries and fears
into boldness and confidence
You've handled me with such grace and care,
no authoritative dominance.
You've given me growth from experience,
Renewed me from my weariness,
Turned lessons into unexpected blessings
Now I'm walking around with flesh
wrapped around Your huge loving essence.

I see the transformation through Your eyes Lord,
This was all a part of Your plan
And even tho it hurt like no other,
You've shown me
I was always safe in Your hands.

I see now, it wasn't about how I felt,
It's all about using me
for Your glory through my story.

And altho the time duration
left a lot of frustration,
I understand You needed my
undivided attention and full cooperation,
To perform this powerful divine transformation,
By using private preparation,
that's now setting me up
for this public ... elevation!

The pruning season blessed me
more than I can say,
During that time,
You hid me in Your secret place
by Your mercy and grace

Freed, Healed,
and snatched me out of harm's way
And as I stand here and replay
how You somehow made a way
I know I can never repay
All You've done for me,
and the love You continue to display.
And looking back now Lord all I can say
Is yes to Your will, yes to Your way
I will forever obey!

Continue to transform me
into Your image
I surrender to Your will
and Your power that has no limit
Lord, help me to trust in You
as I faithfully walk in the spirit

GOD BLESS!
