

IRPC July 2, 2020 Meeting Minutes

Officers and Member Attendance: President Kermit VR. called the meeting to order at 7:00 p.m. with all Officers present except Treasurer Rick C.

June Meeting Minutes: Motion to Approve June Meeting Minutes as written - 1st Don E., 2nd Dale M., motion approved. Some discussion regarding the use of initials for last name and it is customary to only give last initial for confidentiality; however, if you have a specific need to know, please email Deane for more information.

Treasurer Report: Notes from Rick C. were given by Kermit VR. Bank balance information will be updated at the August meeting when Rick returns. Dick Horn's equipment brought in \$2,048 and it is Rick's suggestion we do something for Dick with the money. There was mention of a possible 2nd gun show which we will discuss further at the August Meeting. Motion to Approve Treasurer Report – 1st Jim D., 2nd Pete A., motion approved.

Membership: 2020 Membership = 136, Lifetime = 115 with a total paid to date of 251. Most of 2019 (268) still pending renewal. Will continue sending out email advising members the range is open and reminder to renew membership for 2020.

Range reports:

- **Summation:** Most ranges have received much needed maintenance (thanks to Jerry, Don, Pete and Brad-mowing). Most ranges could use more boards and Pete said he will replace where needed. Ralph continues to monitor broken targets (mostly on the .22 range) and is repairing and replacing as needed. The entire range needs more signage and Pete has offered to make and post signs which can also be interchangeable.
 - **Archery Range** – Ralph W. requested an archery specific workday for both the existing archery range and the new walk-through range in development. The workday will be held July 10 at 8:00 a.m. Bring your small battery-operated hand tools if you have them.
 - **Trap** - Wednesday trap shooting is still going strong with lots of shooters in attendance. The clay pigeons that were ordered have arrived and are stored in the shed where the lawn mower is housed. Also, they have purchased some patches as small rewards for shooters this year.

● IRPC July 2, 2020 Meeting Minutes (continued)

Range Reports (continued):

- **Trap (continued)** – There was a motion to purchase a \$40 shooting card for TJ E. 1st Don E., 2nd Dale M., motion approved. Other discussion on placing a gate at the entrance to the 100-yard range on Wednesdays during trap and on other special occasions with instructions to use the Auxiliary range. Gate will be locked in the upright position when not in use. Motion to approve – 1st Jim D., 2nd Bob R., motion approved.
- **Practice Trap** – The 2nd practice has been installed on the new practice trap range and is fully functional. Some minor adjustments are needed, and we are working on a shelter. There is also some landscape maintenance to be done and debris to be moved. Jim D. has offered to get a Bobcat to help with these issues.

● Old Business:

- **Billboard Highway 63** – Natasha F. brought some more samples to view for the billboard and members viewed and voted on the ones they liked. Natasha will finalize and update more at August meeting.
- **Website** – The website is still under construction (behind the scenes) bringing the entire site from their old platform to their new platform. The delay now is the transferring of pictures. Once everything has been transferred and approved, we will publish the website with a new look. The web address remains the same and the website is still fully functional.
- **Portable Restrooms** – The Honey Wagon was out to pump the portable restrooms; however, three of them have hard bottoms and cannot be pumped so they serviced what they could. Further information/discussion on the maintenance and possible moving of the Kybos at the August meeting.
- **Appleseed Shoot** - will be held July 18 & 19 as scheduled. Email will be sent out to all members with information as well as flyers placed around town, etc. Photos of event is being requested and email sent to Natasha.
- **Railroad Rails** – Jim D. was able to get 2 RR Rails (8-10 feet). He and Don E. can get more from Dave K. if needed.

IRPC July 2, 2020 Meeting Minutes (continued)

New Business:

- **Mowers** – Jim D. had Tom Cleveland from Lakes and Trails look over our lawn mower (we purchased from Tom) and discussed replacing with a new mower. Tom quoted a price of \$3,100 for a new one. Kermit also suggested we also take a look at John Deer equipment with other equipment options, etc. for long term range maintenance. Kermit will get some pricing information and bring to the August meeting.
- **Potholes** – Debb O. mentioned we need some potholes filled throughout the range before fall.
- **Long Distance Range** – Don E. has been working on the 600-yard range placing cardboard, etc. He said weights still need to be placed for counterbalance and he could use some help. Once everything is in place, there is a possibility of having a long-distance shoot. Will provide more information at the August meeting.
- **Range Use** – The following groups have requested use of the range as listed:
 - WI State Patrol August 13 (retiree shoot) and August 18 (firearms training)
 - Project Appleseed Shoot July 18 and July 19
 - Cornerstone Church Watchman Group July 7 (approved by Officers after meeting)
 - Full Listing for July and August at end of meeting notes.

Adjourn:

- **Meeting Adjourned** – Motion to adjourn, 1st Bill L., 2nd Bob R., motion carried. Next meeting will be held on August 6, 2020 in the IRPC Club House at 7:00 p.m.
