

We manufacture ONLY Grade AA/A or Tier I tires using 100% new virgin rubber, carbon black and steel (NO recycled material); BEST warranty in the industry. FACTORY DIRECT pricing per container.

**Toll Free Call (USA & CAN): 1-855-35-TRUCK (8-7825)**  
We Deliver Throughout the U.S.A. /Alaska and Canada, and will ship worldwide

## ATP118 TUBE TIRE

**Wheel position:** For all wheel positions.

**Application:** For improved or mixed road surface in good and bad conditions.

**Characters:** Having good wear-resistance, improved traction performance and good resistance to puncture. Strong crown and bead design improves the resistance to blowouts and the endurance of the bead.

## ATP618 TUBE TIRE

**Wheel position:** For all wheel positions.

**Application:** For improved or mixed road surface in good and bad conditions.

**Characters:** Special formula of good wear-resistance and heat-dissipating capability enable the tire to have a long life and high retreaded rate. Longitudinal bending patterns produce low rolling resistance and oil-saving performance (saving 3-5 % than normal pattern). Having good steering performance and easy to control.

## ATP868 TUBE TIRE

**Wheel position:** For drive wheels.  
**Application:** For tractors, trucks, dump trucks and concrete mixer trucks on rough road surface.  
**Characters:** Special deep pattern design enables the tire to have good traction and braking performance. Widening tread and block pattern assures good resistance to wear and puncture.

## ATP919 TUBE TIRE

**Wheel position:** For drive wheels.

**Application:** Designed for mixed road surface of gravel-pit and earth, also fit for short distance on bitumen road.

**Characters:** Tough blocks provide strong traction and off-road performance. Special tread design effectively improves self-cleaning performance. Deep grooves enable the tire to have high mileage. Special rubber composition provides strong resistance to wear and puncture.

# AMERICAN TRANSPORTATION

We deliver guaranteed transportation products and components worldwide. We carry a wide range of products, including: factory direct heavy truck tires and OTR Tires, OEM truck beds and truck bed components, aluminum factory direct flatbeds, trailers (open and enclosed), truck bodies and heavy duty aluminum trailers, and we can deliver them direct to you or your company, or you can pick them up at any one of our yards throughout the U.S.A. and Canada. We handle all sale and delivery details for you.

## Warranty:

### Mileage / Time Warranty:

Full replacement warrant on the tire/tread for up to 50,000 miles (80,467 km) or 18 months whichever comes first, for any defect resulting from workmanship and material.

### Over The Road Tire Replacement:

Full workmanship and material defect warranty for the life of the original tread. Pro-rated on remaining tread depth, down to 2/32" (2 mm) tread remaining or casing value, whichever is greater.

### ON and Off Road Policy:

Full workmanship and material defect warranty for the life of the original tread and an additional cut/chip/stone drill warranty. Pro-rated on remaining tread depth, down to 2/32" (2 mm) tread remaining or casing value, whichever is greater.

### Retread Policy:

All steel belted radial truck tire casings have a warranty against workmanship and material defects in the casing for two (2) retreads.
