Joke of the Month

What are Blessings?

*It's Amazing what
You can discover!*

Message of the Month

The following was channeled by Jackie
May 4, 2015

"It is not important what anyone else says or thinks... what is important is what YOU say or think. What comes forth from your Being in the way of words may reflect your personal opinions and attitudes and what is going on in the deepest parts of your ego mind or they may not. Pay special attention to your words and thoughts... are they really reflecting who You are... or are they a mimic of what someone else says or thinks.

*Are you speaking from your Higher Self, your ego, or mimicking others???
How do you know?*

Do your thoughts and words exhibit Love, Joy, Peace, Harmony, Abundance... any of the higher qualities? If not... they are not coming from your TRUE self which is pure Love & Light.

Knowing who You are will assist the expansion of Unity Consciousness upon this planet."
