

## **ENTRY FEE REFUND POLICY**

Listed below are the terms and conditions of Cascade Premier Event tournament refund policy. This refund policy covers inclement weather and due cancellation due to limited number of teams entered.

- 1) No games played due to inclement weather full refund less \$50 admin fee.
- 2) 1 game played 50% refund (credits may be offered toward another year fee.
- 3) 2 or more games played no refund.

*A game started counts as a game played*

### **OTHER REFUND REQUEST:**

Because teams frequently transfer entry fees to other tournaments or events, entry fees are **NOT**, automatically granted. Teams **must** submit a formal written request for any potential refund and it will be reviewed on a case by case basis. No refunds will be processed for multiple tournaments discount purchases. If for any reason you choose not to attend or wish to cancel the fees may be transferred to another of our events for up to one calendar year from the time of purchase.

**NOTE:** We cannot offer refunds due to team no-showing during or in middle of tournament. We will try when we can to reschedule if no games have been played yet. However if the tournament has started the team affected will simply advance with a bye. Although this is unfortunate and sympathize with the team which may have/not missed out on a game we still incur costs of our own due to umpire fees, field rental and staffing needs intended for said game. Thank you so much for your understanding.

Sincerely,

Brad Calkins- (208) 353-6829
