*"Here are what some of my clients have to say"*

Dear Lisa, Thank you for taking the beautiful pictures of my children.  
I am so happy with the pictures, they look timeless on our wall.

I have really wanted photos of the children that captured their true spirit and Individual character in a picturesque environment. You have captured them so beautifully at that moment of their lives in a creative and artistic way that will stand the test of time. I have had countless compliments on the pictures of the children and I am happy to recommend you to my friends.

I would like to thank you for making us feel relaxed and welcome.  
Willow regularly asks to go to your house! The whole process was easy and timely especially at such a busy time of the year.

Thank you, we will see you soon when they grow up a little more.

*Kind Regards, Melissa Pearce*

We love our family portraits and appreciated the friendly and professional manner in which they were taken. We would highly recommend Lisa Angus Photography to any family looking for quality portraits.

*Kind Regards, Mary Menta*
