Last Week's Run Report

Run No; 698 Hare; Humper
Location; Marmion Reserve Myaree

First... A Message From the Sponsors

APOLOGYWe would like to unequivocally apologise for the error that occurred in last week's run report. At no time was there any intention to cause undue stress or embarrassment to said parties.....

Assembling at the packed (Ha) sports ground venue, the pack waited in anticipation of a bit of a run/walk to ward off the chilly night. The Hare gave short instructions and indicated walkers should follow the runners trail but with a few pointers... Interestingly, it was a long time before walkers spotted a front runner (ARGH ! ... Franga ...) Other runners were soon following and disappeared into the night. Walkers split off into 2 groups and, sadly one lot did not find their way to the drink stop but managed to get back ... eventually. Amusement on the way was a *face-plant* by a clumsy Harriette, but we won't dwell on that !!!

Meanwhile, back at the start, we had Nosh before the circle as it was hot and ready and stragglers came in a bit late.

NOT ONLY THAT, many Hashers arrived too late for the start due to an incorrect address entry on the website Tsk ! Tsk ...! There was some mumbling and grumbles in the circle but the appropriate person was duly fined. This then led to a very unfair *pick-on-Pink-Bits* tirade for all sorts of errors (see start of report !) and ice was used Despite this the Hare had been awarded almost top marks for the run (and a great meal ...), jokers and true story tellers came and went and the *Dummy Spit Shorts* were imposed on Sheep Shunter, but not before stiff competition.....

Till next week ON - ON

N.B. Please note, the authors of this report take no responsibility for any incorrect details therein, and no further discussion will be accepted. Apologies for any inconvenience to any Hasher.....

See below for where to go.....For this week's run, that is.
