

City of Columbus Taxi Reference

When using a taxi in the City of Columbus look for these stickers in the right rear of the front windshield.

When you climb into the taxi, note the company name and cab number. Look for the **driver's name, taxi driver ID number and their photograph.**

Tell the driver to use the taxi meter; they cannot charge more than what the meter reads at your destination.

Ask for a receipt

If you have a problem, call the City of Columbus License Section at 614-645-8366 to file a complaint.
