150 ATTENDED FOURSEAS BIBLE COLLEGE LECTURESHIP, held November 25th - 29th, 2015. The Theme of this year's Lectureship was "Living Soberly and Righteously."

Peter Chin wrote: "The Lord has once again blessed us with a great lectureship that saw 22 lessons delivered over four days from Nov. 25th to 28th 2015. We praise the Lord for His great blessings that brought so many together represented by **Australia, the United States, China, Taiwan, the Philippines, Indonesia, Vietnam, Malaysia and Singapore.** The lectureship is co-hosted annually together with the **Lim Ah Pin and Jurong churches of Christ.** We wish to thank the elderships of both congregations for their support, all the speakers, alumni of Four Seas College, and everyone who attended all or part of the lectureship. The fellowship was great and so were the lessons. All the 350 copies of the lectureship books were taken up. One lady is asking for reprints to be made and wants to order 1000 copies! This is what she said, 'As a result of my years of experience in the book ministry, I am quick to see how many parents and young adults could be blessed by a copy of this lectureship.'

I am especially thankful to the staff and faculty of the college; bros. **Patrick Swayne, Eddy Ee and sis. Chin** for all their help, assistance and support provided to help make this lectureship successful. Both our first and second year students worked hard in carrying out their duties throughout the lectureship and we appreciate them as well. To God be the glory!"

Four Seas Bible College Graduation & Lectureship

GRADUATION

Every year during graduation, it is my privilege to present each graduate with his or her diploma. This is an exciting time for them and us, as they have studied and labored hard, in order to be awarded this honor. Ladies who graduate are able to go back to their respective countries and teach the ladies and children. The men will go to their destinations prepared to preach and teach the Word of God. (Pictured right are the most recent graduates receiving their diplomas).

← Pictured to the left is brother **Jaden Chan** preaching in a chapel service that is held every morning during the Lectureship. Chapel services also are held each day of school at Four Seas Bible College.

“And he said unto them, Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned.” (Mark 16:15–16)

Pictured above are the speakers of the 8th Annual Four Seas Bible College Lectureship. The Lord's work in various countries was represented.
