### Criteria for Judging Creative Writing - Fiction

These categories and levels are to give judges a consistent measurement scale for evaluating the materials. Judges are encouraged to include their own experience to judge the writing, but scoring should reflect these descriptions. Judges are also encouraged to add notes for the writer, with suggestions and reactions to the material which will help the writer improve and/or understand the scores. Use reverse of page for additional notes.

Some categories contain more than one set of criteria. Judges should determine a score based on the balance/average of all evaluated criteria in the category.
