PTO report: Mrs. Krizan

Veterans program was presented November 11. Chippewa Falls Police Dept. came to talk to teachers about safety procedures for the school. Advice was to call them if something unusual was happening. Door decorations will be done by teachers and parish groups. School Christmas program will be December 9th and 10th with a bake sale and cookie walk. PTO officers are Jennifer Davis, president, Bridget Smiley, Vice President, Dawn Cox, secretary, and Steph Krizan, treasurer. The next PTO meeting will be November 18. The meeting will be recorded on U Tube. Group pictures of classes are back ordered at this time.

Closed Session

Snow removal was discussed and there was some confusion about who will plow and who will shovel snow in parking lot and sidewalks. Mrs. Krizan said her boys would shovel snow if snow is 2 inches or less. We were informed there is someone contracted for the parking lot and sidewalks if snow is over two inches. Pastor Stenzel emailed the School

Board on November 13 stating that someone has been contracted to plow and shovel the snow when it is more than one inch. He will also apply salt/sand when needed and give the church an extra supply of salt/sand. Clearing away dustings of snow or one inch will have to be decided by the church and school. Pastor also said that the church has always paid for snow removal and he does not see any change there.

Seven marketing students reported Good News Bible verses on WHEM radio everyday for a week. On WEAU students gave a report on school activities and a program the students had to honor Veterans.

School teachers are considering planting a tree in memory of Calvin German and a plaque. Mrs. Krizan will talk to Joelle to pursue this.

Mrs. Krizan thanked the board for giving permission to change her testing procedures.

Administration report: James

Jessica/Shawn made a motion to approve the school budget report. Motion carried.

James adjourned the meeting.
