About Us

Creative Catering of Virginia is a full-service, locally owned and operated catering company that has been serving the Hampton Roads community for nearly 40 years. Our reputation for service, quality, and professionalism, not to mention a true concern for those we serve, is a hallmark of our business. The families we serve are our most important asset and we are there for you on all occasions.

Funerals and Open Houses for those who have lost a loved one are events that people rarely have time to plan for, so Creative Catering of Virginia has put together the following complete catering packages for you. All packages include a formally dressed staff-person to set up, maintain and clean up the food and beverage stations and assist the family in any other way that is needed, linen for food and beverage stations (linen for guest tables is available for an additional charge), napkins, ice, creamers, sugar, lemons, stirrers, high quality acrylic plates, flatware and cups.

We will happily customize menus to suit your family's religious or cultural preferences, though this may incur an additional charge. Please note that tax and Service Charge are not included.
